Eat What You Like

Don't Starve or Diet, but Use Mi-o-na, and Cure Your Stomach Troubles

The average treatment of stomach troubles consists of a rigid diet list, which often half starves the patient. Of course it would be foolish for any one who knows that some foods are positively harmful and poisonous to continue eating them, even while following the Mi-o-na treatment, but in ordinary troubles it is not necessary to starve or diet if Mi-o-na is faithfully used, a tablet before each meal.

This scientific remedy, for the cure of stomach troubles, acts upon the whole digestive system, and strengthens the organs so that they are able to digest any food that is eaten without fear of distress. If you suffer from loss of appetite, belching of gases, sour taste in the mouth, furred tongue, severe pains in the region of the stomach, depression of spirits, bad dreams, lack of energy, a stomach drag, offensive breath, headaches, backaches, loss of strength and weight, you can be assured that these troubles are all due to imperfect digestion.

Strengthen the stomach by taking a Mi-o-na tablet before each meal, and soon you will gain in weight, strength will return, and your food will give nourishment so that the rich red blood will carry good health to every part of the system.

Rotermund has so much confidence in the power of Mi-o-na to cure stomach troubles and resulting ills, that he gives a guarantee with every 50 cent box to refund the money unless it cures.

STRANGE ADVICE

Dr. G. G. Green gives alert personal attention to his great humanitarian contract.

In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c; regular size, 75c. At all druggists. For Sale by Dr. J. C. Smith.

Dangers of a Cold and How to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by M. Clemens.

To Cure a Cold in One Day Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

A Scientific Wonder.

The cures that stand to its credit make Bucklen's Arnica Salve a scientific wonder. It cured E. B. Mulford, lecturer for the Patrons of Husbandry, Waynesboro, Pa., of a distressing case of Piles. It heals the worst burns, sores, boils, ulcers, cuts, wound, chilblains and salt rheum. Only 25c at all drug stores.
