FRIDAY, MARCH 30, 1906.

Candidate for Republican Nomination as State Treasurer.

Judge Thos. F. Ryan, of Oregon City, Oregon.

The long-drawn-out conference on Moroccan reforms at Algiers seems now assured of a happy issue—thanks to the diplomatic skill of Mr. White, the American envoy and his colleagues.

The matter of police inspection has proved a most difficult one to arrange and at times seemed likely to defeat the entire work of the conference. Mr. White has solved the problem thus: The inspector is to report simultaneously to the Sultan and the diplomatic corps at Tangier, the latter having authority to order inquiries into the Franco-Spanish police scheme. In this way a guaranty is found for the carrying out of the conference's decision and safeguarding foreign interests and commercial transactions. The diplomatic corps after informing the Sultan, may at any time order the inspection or to inquire into and report should any interested government present complaint. Questions yet to be settled are of minor importance and no one now foresees the slightest obstacle to final accord. Mr. White is to be heartily commended by all Americans for his able and well balanced efforts all through the extended conference and the brilliant conception that made agreement possible at last.

Power For Calumet Mine

C. R. Aldrich, a son of Judge C. H. Aldrich, of Chicago, and president of the Calumet Mining Company, that is developing an extensive gold bearing property on Rancherie creek in Illinois Valley, 10 miles west of Selma, arrived in Grants Pass last Saturday and is spending the week in the city. Next week he will go to their mine with Manager T. F. Hopkins to spend a week or more there. Mr. Aldrich expects to spend the next six weeks here while looking over the opportunities for investment that Southern Oregon affords. He is especially pleased with the climate, the balmy weather here being in marked contrast to the cold piercing winds of Chicago or to the 15 degrees below zero weather had experienced during the first of this month while on a visit with a friend in Linwood, Utah.

Manager Hopkins states that development work is being pushed at a rapid rate at the Calumet mine. Hand drilling has heretofore been employed but now a compressor is to be put in and a pair of drills will be installed. The power to drive the compressor will be derived from a water wheel that is being put on Rancherie creek. This water power will also operate a saw mill that is now being erected for sawing lumber for buildings and timbers for the mine. If the property when fully developed shows up as well as it now does it is the plan of the Calumet Mining Company, which is made up of large Chicago and Boston capitalists, to install a large stamp mill and cyanide plant on it.

Born in Rhode Island 46 years ago, Judge Ryan came to Oregon in his 21st year and soon became recognized throughout the state as an active tireless worker in the promotion of all matters pertaining to the public interests of his adopted state. A loyal and consistent republican he has been honored by his associates in Clackamas county by election as mayor, city recorder, water commissioner, chief engineer, school director and school clerk of Oregon City and as county judge of Clackamas county, all of which offices he has filled with credit to party and self.

In an interview Judge Ryan says: "I believe that my record as a public officer of my city and county goes to prove that if I am elected that every duty required of the state treasurer will be performed in an efficient and economical manner. I believe that interest on state funds should belong to the state and that the state treasurer should be prohibited from speculating with the funds of the state, either for gain for self or in the interests of banks or other monied institutions, receiving for his services the salary allowed him by law; being neither a president, cashier or stockholder in any bank, I shall use my best efforts to conduct the office in strict conformity with the laws of the state, and not discriminate in the interests of any institution or person."

Mr. Ryan's record as judge of Clackamas county proves him to be a man of exceptional business qualifications as he has paid off a county indebtedness of over \$200,000, at the same time constructed many miles of improved roads and each year decreasing the tax levy.

Hoyt for Treasurer.

Ralph W. Hoyt, of Portland, is well up in the race for State Treasurer.

Mr. Hoyt while treasurer of Multnomah county, was the first to inaugurate the policy of dividing the funds amongst the various county banks. It is his intention, should he be elected, to deposit state funds collected in a county in the banking institutions of that county.

Mr. Hoyt is well qualified for the office he seeks and is also known as a gentleman of wide financial experience and business ability.

Boys, its not a plaything, but a good first-class watch free with that suit.—Geo. S. Calhoun Co. 3 30 11

Heston Practices Law.

According to a lengthy clipping from the Detroit, Mich., News, Martin Heston is opening his legal career quite as auspiciously as he did his football career. The article gives Mr. Heston's maiden effort in court a complimentary mention. He won the case and in a letter to his parents, Mr. and Mrs. J. W. Heston, who reside on a farm two miles south of Grants Pass, he stated that he was paid a fee of \$50. Mr. Heston is with Clark, Jones & Bryant, one of the largest legal firms of Detroit.

Mr. Heston graduated last year from the University of Michigan in the law department at Ann Arbor. He was a student in the Grants Pass High School and later at the San Jose Normal, where he became a leader in football and on entering the University he was put on Michigan's famous eleven and was soon noted as one of the best players in the United States. This last season he was coach for Drake University team of Des Moines, Iowa.

DIED.

CHAUSSE—In Grants Pass on Sunday March 25, 1906, Harry D. Chausse aged 36 years 1 month and 20 days. The funeral was held Monday, Rev. J. B. Travis conducting the services which were held at the residence of F. W. Chausse a brother of deceased, with interment in the Masonic cemetery. Mr. Chausse died by a revolver shot fired with suicidal intent as the culmination of a life of dissipation begun in young manhood days by a social glass and a friendly game of cards with his friends. He only hastened the end that was to come to him, as it is to other boys now following in his footsteps. He was unmarried and was a prospector by trade. He was bright and intelligent but could not say no to the fatal first time. He is survived by his mother, Mrs. Mary Chausse and sister, Mrs. Harry Peterson, of Portland, and four brothers, F. W. and J. T. Chausse of this city and Jesse Chausse, S. P. conductor, of Portland and E. C. Chausse of Quincy, Wash.
