

FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or listless symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative; two or three are cathartic.

Health in Grants Pass

Rotermund Says Care of Digestion Solves Problem of Long Life.

No one in Grants Pass has a better chance than the druggist to know the condition of the city's health, and what diseases are most common.

Rotermund believes that the problem of long life is solved by proper care of the digestive organs. Let the stomach get out of condition and soon there will be nervousness, irritation, furred tongue, specks before the eyes, weakness, debility, indigestion, and other physical and mental troubles that directly result from a weakened stomach.

Of all the vital organs, the stomach is the most frequently abused, and hence, the one which most frequently fails, and so with the discovery of a remedy like Mi-o-na stomach tablets, which is sold on an absolute guarantee to strengthen the digestive system, aid in assimilation of food, and cure all troubles caused by indigestion, an important step has been taken towards solving the question of good health and long life.

Take one of the little Mi-o-na tablets before each meal, with the fixed determination that you are going to get well, and it will not be many days before you can eat anything without year of indigestion.

Rotermund sells Mi-o-na on an absolute guarantee to refund the money if it does not cure. A large box of the tablets costs but 50 cents, if it helps you; nothing if it fails.

Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. For sale by H. A. Rotermund.

The Richest Man in the World

The richest man in the world can not have his kidneys replaced nor live without them, so it is important not to neglect these organs. If Foley's Kidney Cure is taken at the first sign of danger, the symptoms will disappear and your health will be restored, as it strengthens and builds up these organs as nothing else will. Oscar Bowman, Lebanon, Ky., writes: "I have used Foley's Kidney Cure and take great pleasure in stating it cured me permanently of Kidney disease, which certainly would have cost me my life."
