PICKETT VALLEY

Mrs. Farmer spent last Sunday with Mrs. A. Hussey.

It looks like we were going to have rain around Pickett Creek very soon.

A baby girl arrived at the home of Henry Booth last Saturday; all doing well.

Robert Crow has started a goat ranch. He recently purchased 27 goats.

There was quite a crowd left here Friday, May 4th, to attend the circus at Grants Pass. The party consisted of Messrs. Van Dorn, Thorn and Perfortain and Miss Cantroll.

Frank Hussey had one of his eyes taken out last week. He got hurt quite bad last Winter by dynamite and this was the result. We sympathize with him very much and hope that he will get along all right now.

Kodaks—Courier Building.

NEW HOPE

Every body busy now, almost too busy for items.

H. S. Wynant and sons will begin cutting hay soon.

Miss Tena English is attending school at the Pass.

Verner Daniels is visiting with his mother at our place.

Fred McCallister is working at the Murphy saw mill at present.

Mr. and Mrs. Wynant were at the Pass on business last Tuesday.

Miss Florence Wynant visited with Miss Eva McCallister last Saturday.

Mr. and Mrs. Mark Rader of Grants Pass were at New Hope last Sunday.

Vern McCallister has bought a new buggy and now he is all right with the girls.

Dick Johnson and Len Jewell were seen on our streets today. Some attraction here for them, I guess.

Scott Stringer and brother, James, have been employed at the Burrow hop yard training hops the past week.

Clarence Wynant was home a couple of days the past week, he being employed at the Harmon & Hinkle mill near Merlin.

What is the matter? Shorty saw stakes set for a new house. He is too busy to write items now, can almost hear wedding bells.

Members of the Murphy Ditch Company are all busy putting in flumes and are cleaning out the ditch preparatory to getting ready for irrigation.

Rev. Starmer was in our midst last week; came down to start protracted meetings but owing to busy times with the farmers the meeting was postponed.

G. D. Walter and wife and H. S. Wynant, wife and children went to the Applegate dam last Sunday taking their dinner and enjoying themselves fine with cold dinner.

Shorty.

The Klamath Falls Chamber of Commerce has petitioned for the removal of Postmaster Murcock, of that place, alleging incompetence on account of defective hearing.

Home Baking

with

ROYAL

Baking Powder

The United States Agricultural Department has issued (and circulates free) a valuable report giving the results of elaborate experiments made by and under the direction of the Department, which show the great saving from baking at home, as compared with cost of buying at the bakers. All bread, cake, biscuit, crullers, etc., are very much fresher, cleaner, cheaper and more wholesome when made at home with Royal Baking Powder.

Chaussé Stands or Morality!

Grants Pass, Ore., May 14, 1906.

Editor Courier: I would like to ask a question in your columns of F. W. Chausse. If he is such a red-hot reformer and red-eyed enforcer of the law why does he not use his position as a member of the common council to close up the houses of ill-fame that he sees every time he comes up town. I have a family of four children and am compelled to live in that vicinity, and if F. W. Chausse wants my confidence in his integrity let him make a motion in the council to remove the marshal if he does not close up the red-light district of this city and also to close the saloons on Sunday. This kind of reform would beat license-raising and knocking the Booth family, all hollow. Let the balance of power league take notice of Mr. Chausse's efforts to enforce the law. Very truly,
