Grants Pass Men Buy Jacksonville Meat Market.

Ed Binns and Will Smith left Sunday for Jacksonville where they have bought the meat market in that place belonging to County Clerk John S. Orth and conducted by his brother, Henry Orth. Mr. Binns is an adept in the management of a meat market and his customers will be served with well cut meat, in scrupulous cleanliness and be treated courteously. Mr. Smith is an expert meat dresser and will have charge of the stock department. Both are enterprising young business men, thoroughly reliable and their meat market will be a credit to the town and among the best in the Valley.

In addition to supplying the demand of the town and vicinity Messrs. Binns & Smith will furnish meat to the various mines about Jacksonville the largest one being the Blue Ledge copper mine employing 150 men.

Answers Mr. Sandberg.

Mr. Sandberg, Dear Sir:

In answer to your query of May 4th, would say that John the Baptist was not in the kingdom of heaven because he died before Christ established his kingdom. Please read Matt. 16:28; Luke 9:27; Mark 9:1; Matt. 16:18, 19; Acts 1:6-8. There the scriptures show that the kingdom was in the future from John and was established when the Holy Spirit was poured out upon the apostles as stated in Acts 2:1-38.

Yours for the whole truth,
E. BADGER,
Murphy, May 27, 1906.

To the Voters.

A word to my friends: In the last week's Observer a writer referred to me as holding the treasurer's office the time I have and that in a republican county. Now, I have this to say: The treasurer's office is strictly a non-political office and I am sure the voters of this county think the same from the vote they have given me in the past, but I would not ask the office again if I were not in bad shape physically and if I lose this office I have nothing else in sight for a living for myself and family.

The voters of this county have been kind to me for which I am very thankful, and I am perfectly willing to abide by their decision June 4th. Thanking you again for past favors and asking a continuance of the same, I am yours truly,
J. T. TAYLOR.

MERLIN

On the evening of May 26th the many friends of Mr. and Mrs. W. A. Massie gathered at their home in Merlin to celebrate their silver wedding anniversary. The parlor was beautifully decorated for the occasion and the evening was spent in genuine enjoyment. The popularity of Mr. and Mrs. Massie was shown by the many nice presents received. At 10 o'clock the guests were called to a delightful lunch of strawberries, cake, lemonade and oranges, and it was very amusing to see the big man with the big bouquet trying to graft the third dish of berries.

Their many friends united in thanks for the enjoyable evening and wish for many happy returns of their wedding anniversary. FRIEND.

A Final Appeal.

To my republican friends in Josephine county:

As next Monday is election day and this is the last issue of the Courier before election, I desire through its columns to solicit your support. I believe the people of this county or at least most of them are honest and desire the best men to fill the different offices. I believe they desire to elect a man to fill the office of sheriff and not to elect a man to HIRE a man to fill such office. Believing such to be the case, I am out soliciting your votes at the coming June election, regardless of politics. I have no money to spend in this election as I am a man who labors for a living, but if I did have money to spend I would not insult the people of this county by trying to influence their acts by treating or other questionable methods. I have very few promises to make, but will say if you elect me to the office of sheriff, I will take personal charge of the office and run the same in a business manner, according to all courteous treatment. I would use the salary of the office not to further my political interests or to debase myself or fellow man, but to the education and care of my family.

In conclusion I will say, do not be misled by any reports of my withdrawal as I will be a candidate for election until the last vote is in on June 4th.

Thanking you in advance, I am Sincerely yours,
NINE REYNOLDS,
Candidate for sheriff of Josephine Co.

IN PERFECT FORM

Copyright 1906 by Hart Schaffner & Marx

YOU know how it is in a race; the victory isn't always to the strong; "form" counts as much as muscle; sometimes more. The coach goes along to watch the form and develop it.

A good deal so in business life; "brains and good address" are important; both count.

We offer you all the advantage clothes can give; they're that kind of clothes—Hart Schaffner & Marx clothes; if you come to us we'll put the right clothes on you.

Hart Schaffner & Marx clothes are absolutely perfect form; absolutely all-wool, with no taint or suspicion of cotton; a statement which cannot be truthfully made about most clothes offered to you. We guarantee a fit.

Our prices are right—you would have to pay the tailor at least \$10 more, and not get the style and service these clothes will give you. This is another of our guarantees.
