Wait For Hunger

Good Advice From Rotermund as Create an Appetite.

Any physician will tell you that it is unwise to eat unless one is really hungry. It is far better to miss a meal than to est without appettie.

But do not take a tonic, stimulant. or appetizer to make you hungry. Rotermund says that the best way to create an appetite is to restore the digestion to health by the use of Mi-ona stomach tablets, a reliable remedy that he has used with the best of satis-When Mi-o-na is used, the irritation

and inflammation of the stomach coating will be soothed, the gastric follicles will be strengthened so that they will pour out the natural diges-4 50 tive fluids with regularity, and the food you eat will be perfectly digested without distress. All headaches, sleeplessness, specks before the eyes, poor appetite, tired feelings, nervousness, back-aches, and other troubles caused by a poor digestion, will soon disappear and you will feel well all

A large box of Mi-o-na stomach tablets is sold for 50 cents by Rotermund, and it is so successful and reliable in curing indigestion and other stomach troubles, with the exception of cancer of the stomach, that he sells it under a guarantee that the money will be refunded unless it does all that is claimed for it.

If you have any stomach weakness here is an opportunity to be cured without risking a cent yourself.

The Courier gives the mining news of Southern Oregon.

Miss China Lee You soon will see Is just as neat as she can be.

The reason why You soon will spy: CHI-NAMEL is her old standby.

CHI-NAMEL is a liquid finish for floors, interior woodwork and furniture that is far superior to any other made. It is used by the Chinese to give that fine brilliant finish to their bamboo and other wares, which withstand bending and banging, without cracking or marring the brilliant and glossy finish. It comes in all the hardwood

finishes, such as Oak, Walnut, Cherry, Mahogany, Rosewood Satinwood, etc., and will withstand hot and cold water and soap. We will boil it in water for you

or pound it with a hammer, and will guarantee that what we sell you will stand the same test.
