NEW HOPE

Miss Oro Willson of Grants Pass, visited with Miss Bessie McColloms last week.

Miss Maggie McAdams of Crescent City is the guest of Miss Verne Champlin this week.

Rev. Mr. Starmer of Williams passed through our burg one day last week en route to Grants Pass. SHORTY.

Don't Grumble

NOTICE FOR PUBLICATION.

Department of the Interior. Roseburg, Oregon, May 22, 1906. Notice is hereby given that the following named settler has filed notice of his intention to make final commutation proof in support of his claim, and that said proof will be made before A. S. Elliot, U. S. Commissioner, at his office at Medford, Oregon, on August 1, 1906, viz: JAMES S. MYERS on H. E. No. 13,396 for the NW 1/4 SE 1/4, Sec. 21, Tp. 35 S., R. 4 W.

He names the following witnesses to prove his continuous residence upon and cultivation of said land, viz: Edward Brownworth, J. L. Scott, John Brownworth and Aaron Beck all of Woodville, Oregon. BENJAMIN EDDY, Register.

LAUREL GROVE

O. A. Williams has a new wagon and intends hauling lumber.

I hear that the deer law is out so now for fine venison any time.

Messrs Ed Swiden and Theodore Payne are baling some fine hay for Mr. Dutcher of Murphy.

Oh, by the way I, saw S. C. Ribbles sawing ice in the city of Grants Pass not long since. That beats saw milling.

Services will be held every fourth Sunday in the new school house at Maple Dell, by Rev. Mr. Starmer of Williams.

A very nice surprise party and dance was given at the home of the Misses Ella and Stella Williams on last Saturday night. All report a jolly good time.

Elmer Williams who left here some time ago is located at Klamath Falls. He reports that things are lively in the Falls and crops are better than usual, as are also wages.

Oh, the fine hot weather and haying all through, with the exception of Mr. Haberman and Sons, they are still haying. Did you read what the Davidson, correspondent says about their alfalfa hay? Now, wouldn't that jar you? Who ever heard of the like—a cow going through a barbed wire fence to get around the alfalfa? Now I do not blame him for being proud of their fine hay for they surely have good hay, but my! no one will believe that they have any such hay as he tells about.

JUMBO.

LELAND

We are having the finest of weather. A nice breeze from the ocean, no sickness to report.

Mrs. G. W. Chapin and her son, O. Monkers, made a business trip last week to Grants Pass.

We need a restaurant so people coming from a distance can get their meals at any and all times.

Miss Iva McArthur has accepted a situation in the hotel as waitress. She is so quick and active, she fills the bill.

Wide Awake is going to stay in Leland, the town wants to elect him for Mayor and T. J. Macken for city marshal.

We have on Grave Creek two doctors but they have to look for cases outside of Grave Creek as little or no business is done here.

People are busy baling hay to send away. How different, a few years ago, when hay was shipped here. Now we export; that means money kept at home. The hot weather following the cool wet Spring will shorten the potato crop. The fruit crop will be large.

We are very sorry to hear of Inman's house catching afire and burning up. If Mr. Inman or his neighbors will get up a subscription paper we think he can get help, as he is a poor man. It takes Wide Awake about all of his time to herd his large band of kids, but he will help the poor man to the best of his ability.

Farmers are through with their haying. As it was a big crop many hands were required to take care of it. Some people traveling through the country who were invalids stopped here; hearing of Leland's invigorating climate, also of the pure water, thought if they could secure an easy job they would try their hand at haying. They gained in health and felt so much better that they say they are going to settle in Southern Oregon, as they have traveled from state to state and getting no better, have found the right place.

Bryan's speech in London said the government had been going on one leg for the last four years. We not only think but we know, if the democrats get in power the government will go on its head; that will be the difference. We know by past experience. WIDE AWAKE.

Children in Pain

Never cry as do children who are suffering from hunger. Such is the cause of all babies who cry and are treated for sickness, when they really are suffering from hunger. This is caused from their food not being assimilated but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Get a trial. MOTT'S PENNYROYAL PILLS
Safe and reliable, they overcome weakness, increase vigor, banish pains. No remedy equals DR. MOTT'S PENNYROYAL PILLS. Sold by Druggists and Dr. Motts Chemical Co. Cleveland, Ohio.

Dr. Pierce's Favorite Prescription,

Is not a secret or patent medicine, against which the most intelligent people are quite naturally averse because of the uncertainty as to their harmless character, but is a medicine or knows composition a full list of all its ingredients being printed in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure glycerine taking the place of the commonly used alcohol, in its makeup. The "Favorite Prescription" of Dr. Pierce is in fact the only medicine put up for the cure of woman's peculiar weaknesses and ailments, sold through druggists, that do not contain alcohol and that too in large quantities. Furthermore, it is the only medicine for woman's special diseases, the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the ailments for which "Favorite Prescription" is recommended.

A little book of some of these endorsements will be sent to any address, postpaid, and absolutely free if you request same by postal card or letter, of Dr. R. V. Pierce, Buffalo, N. Y.

Don't forget that Dr. Pierce's Favorite Prescription, for woman's weaknesses and delicate ailments, is not a patent or secret medicine, being the "Favorite Prescription" of a regularly educated and graduated physician, engaged in the practice of his chosen specialty—that of diseases of women—that its ingredients are printed in plain English on every bottle wrapper; that it is the only medicine especially designed for the cure of woman's diseases that contains no alcohol, and the only one that has a professional endorsement of more than all the so-called "testimonials" ever published for other medicines. Send for these endorsements as above. They are free for the asking.

If you suffer from periodical headache, backache, dizziness, pain or dragging down sensation low down in the abdomen, weak back, have disagreeable and weakening, catarrhal, pelvic drain, or are in distress from being long on your feet, then you may be sure of benefit from taking Dr. Pierce's Favorite Prescription.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic.
