INDIANS IN UGLY MOOD

EFFORTS TO FORCE UTES BACK TO RESERVATION MAY RESULT IN BLOODSHED.

Sheridan, Wyo., Oct. 31.—Colonel Bob Augur and the third squadron of the Tenth Cavalry from Fort Robinson arrived last night and detrained at Arvada, the troops soon afterwards taking the field for the front. It is understood that Colonel Augur is in command of all military forces, and as soon as his troops arrive at the Indian camp a demonstration will be made. The scout sent in from the front to meet Colonel Augur reports the arrival of Colonel Rogers, commanding the Sixth Cavalry, who came overland from Fort Meade. The demonstration against the Indians now only awaits the arrival of Colonel Augur's command, which should reach the vicinity of the Indian camp by night.

The Indians are becoming more bold. Dick Spear and E. H. Gottings who encountered a band of thirty Indians, were fired upon and one of their horses killed. The Spear round-up wagon was looted by another band of Utes, who left the camp cook bound and gagged, and carried off all supplies and bedding.

Old settlers near Moorehead, Mont., are sending the women and children to places of safety.

Colonel Hensel, who was a Government scout and interpreter in the battle at Wounded Knee, says the Indians mean fight and gives it as his opinion that they have sent messengers to seek the assistance of the warlike Cheyennes.

The Indians say they want President Roosevelt to give them the Powder River Valley for a hunting ground, and persist in their determination not to be taken back to Utah.

The settlers along the Powder river say that if the Indians are allowed to remain in that vicinity they will organize and exterminate the redskins.

RESOLD ON TRIAL

Witness Tells of the Day That Los Angeles Woman Was Killed.

Los Angeles, Oct. 31.—When the preliminary hearing of Anton Besold, charged with murdering his wife in Temescal canyon last July, was resumed yesterday striking and convincing testimony was adduced. There was a touching scene when Mrs. Ethelyn A. Chaffin of San Jose was again called to the stand. This young woman ran a lodging house in San Jose and it was there that Anton and Claudie Besold roomed.

The silk skirt which was found in Temescal canyon was produced by Prosecutor McComas as the woman took the witness chair, and as soon as she perceived it she broke out in a flood of tears, which was not stilled for several minutes.

"This is the skirt Mrs. Besold wore the day she left my house to go to the beach," Mrs. Chaffin declared positively.

"It was about 10 o'clock in the morning. Besold stood in the hall. Mrs. Besold said to me: 'My husband is going to take me to the beach for the day. Isn't he good?'"

"Besold returned early in the evening, between 5 and 7 o'clock, I think. He told me his wife had gone to Summerland to visit her sister and that she would telegraph him if she liked it there. 'If a telegram comes,' Besold said, 'please receive it.'"

DO NOT BE A BURDEN.

Rotermund Gives Some Good Advice to Readers of the Courier.

Many people in Grants Pass are a burden not only to themselves but to others because of indigestion and its resulting ailments.

The backaches, headaches, distress after eating, loss of appetite, gulping up of undigested food and gases, can all be overcome by the use of Mi-o-na stomach tablets.

This remedy is not a mere digestive, it is a positive strengthener of the digestive organs, putting them in shape so that they can digest any food that is eaten. Mi-o-na is used before meals and so strengthens the digestive organs, while other remedies are taken after meals simply to digest the food without giving permanent relief.

Rotermund sells Mi-o-na in 50c boxes under a positive guarantee that it will cure or money will be refunded.

A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It is a record of over forty years of cure. It is the most potent invigorating tonic and strengthening medicine known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known composition, even though the dealer may make a little more profit thereby. Your interest in remaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.
