Ditching can be done for 20c per cubic yard if a plow and scraper be used. If the soil be so rocky as to call for a pick and shovel, it will cost 40c. A fair price for a ditch 18 inches deep, 3 feet wide at the bottom and 4 1/2 feet wide at the top is \$3.65 per rod.

Santa Claus' Vain Search.

The old patron saint of Christmas time cannot find in all his travels a better meat or poultry mart than Ahlf's. 'Tisn't only the quality of the meat fit for the table, we offer it's the way we store and cut it that should appeal to those who have to cater to the appetites of men and women folk. This must be said, however, to be true: Earliest orders get best attention for Christmas trade.

W. C. T. U. COLUMN.

All matter for this column is supplied by the Josephine County Woman's Christian Temperance Union, Y. and L. T. L. Branches.

Miss Ansoorage arrived in Grants Pass Monday. She was met at the train by Mrs. C. V. Henkle and others and taken by carriage to the home of her friend, Mrs. Graham, where she will be entertained during her stay in the city.

Merlin W. C. T. U. met in M. E. church at 2:30 p. m. December 14. A profitable meeting was held. Arranged to have Miss Ansoorage address the W. C. T. U. at 2:30, December 18. The L. T. L. at 8:30 the same day and the Y's in the evening.

At conclusion of the W. C. T. U. meeting the L. T. L. came together and held a very interesting meeting under Miss Stites, Mrs. Massie and others assisting. A short program was rendered consisting of songs, scripture reading responsively, prayer, recitations, questions on temperance, drill in parliamentary rules. Two names were added to the pledge of service. Three names were added to the Temperance pledge of L. T. L. Attendance of 26 members of Loyal Temperance Legion.

Mrs. S. Lanterman, Pres.

Mrs. D. W. Mitchell, press supt.

Certainly Merlin deserves three cheers for their success.

Grants Pass W. C. T. U. held the business meeting December 14 in the tabernacle. Mrs. Savage, our treasurer, was pleased to receive dues from so many members. This proves we are still interested.

In absence of the Flower Mission superintendent, Mrs. Gould, the assistant secretary was instructed to write words of sympathy to Mrs. J. E. Hair, Mrs. Jennie Kemp and Mrs. Ellison.

Upon request of Mrs. Berry, superintendent of department of Purity in Literature and Art, the program is announced for the meeting December 28, 1906, place to be announced later at the churches.

Be sure and get one of our Year books. It will help you to know when we meet, also the department responsible for the program.

Monday, December 17, the special meeting of the W. C. T. U. was held at the home of Mrs. Weidman.

After a short business meeting Miss Ansoorage, the Y organizer of Washington, was introduced. She gave a very interesting report of the National and World's conventions held at Hartford and Boston. Dwelling particularly on the foreign delegation. Some valuable hints for the advancement of the local W. and Y were also given. The Union decided to organize an L. T. L. while Miss Ansoorage is with us. Light refreshments were served and a very pleasant social hour enjoyed.

All may rejoice that we have added to our number Mrs. Spaulding, Mrs. Engler, Miss Spaulding and Mrs. Graham. The white ribbon encircles the world and the W. C. T. U. has become a world-wide organization.

"Would you be a soldier? There is room for young and old; Will you volunteer for service, Ever true and bold? We shall win a triumph Greater than has yet been told, Then step in anywhere." P. P. B.

Get an Oliver.

The people who use Oliver typewriters like them. The Oliver has many points of superiority: It is built right side up. It has all the characters with the fewest number of keys. It has perfect alignment after years of constant use. The writing is in sight. It does perfect work with the Mimeograph. It is fine for tabulating without any extra machinery. It is a great manifold— from one to 20 copies can be made simultaneously. No matter how many keys you strike at once you cannot lock the typebars. Lines, either vertical or horizontal, and in any color, may be ruled upon the paper while it is in the machine. There are a number of other good typewriters—we think the Oliver the best. You can trade in your old machine. H. V. MEADE, local agent.

Still doing business at the old stand, Cor. Sixth and D streets. GRANTS PASS, OREGON.

That our American rosetts abound in plants which possess the most valuable medicinal virtues is abundantly attested by scores of the most eminent medical writers and teachers. Even the untutored Indians had discovered the usefulness of many native plants before the advent of the white race. This information, imparted freely to the whites, led the latter to continue investigations until to-day we have a rich assortment of most valuable American medicinal roots.

Dr. Pierce believes that our American forests abound in most valuable medicinal roots for the cure of most obstinate and fatal diseases. If we would properly investigate them, we should find a wealth of medicinal plants with which to supply the almost insatiable demand for the most valuable medicinal roots. Dr. Pierce's "Golden Medical Discovery," which has proven itself to be the most efficacious stomach, liver, and blood purifier known to medical science, is composed of medicinal roots, functional and even valvular and other affections of the heart yield to its curative action. The reason why it cures these and many other affections, is clearly shown in a little book of extracts from the standard medical works which is mailed free to any address by Dr. E. V. Pierce, of Buffalo, N. Y., to all sending request for the same.

Not less marvelous in the unparalleled cure it is constantly making of woman's many peculiar affections, weakness and distressing derangements, is Dr. Pierce's Favorite Prescription, as is amply attested by thousands of published testimonials contributed by grateful patients who have been cured by it of catarrhal pelvic drainage, neuritis, irregularities, prolapses and other displacements caused by weakness, ulceration of uterus and kindred affections. After many other advertised medicines, and physicians had failed.

Both the above mentioned medicines are wholly made up from the glyceric extracts of native medicinal roots. The processes employed in their manufacture were original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming drugs. A full list of their ingredients is printed on each bottle-wrapper.

A Miraculous Cure.

The following statement by H. M. Adams and wife, Henrietta, Pa., will interest parents and others: A miraculous cure has taken place in our home. Our child had eczema 5 years and was pronounced incurable, when we read about Electric Bitters, and concluded to try it. Before the second bottle was all taken we noticed a change for the better, and after taking seven bottles he was completely cured. It's the up-to-date blood medicine and body building tonic. Guaranteed, 50c and \$1.00 at all druggists.
