GRANTS PASS HIGH SCHOOL NEWS

On Friday night, January 25, the
A. A. C. and the Grants Pass High
School played the first Basket ball
game of the season at the A. A. C.
hall. It resulted, after 40 minutes
of hard work, in a glorious victory
of 8 to 3, in favor of the High School.

The Girls' Basket Ball team is
planning for a series of games with
Ashland normal, the first of which
will probably be played in a few
weeks. This will be their first match
game.

During the past week the Fresh-
men and Sophomores held their class
meeting for the purpose of electing
their class editor for our High School
Paper. These meetings resulted in
Marion Clarke being elected by the
Freshmen and Dessie Cole by the
Sophomores.

A practice debate will be held in
the High School Assembly Room,
Friday afternoon on the question,
"Resolved, That the 15th amendment
to the constitution should be re-
pealed." The same subject on which
our High School Debating team will
debate with Roseburg on February 8.
It will be held so as to give the team
practice in speaking also to obtain
arguments which might be used by
Roseburg in the final. It will also
give the team a better understand-
ing of the subject. It will be
affirmed by Bessie Leith, Amy Isaacs,
Henry Norton, and denied by Herbert
Gilkey, Harold O'Neill and Ran-
dall Hood.

For Scientific lessons on the violin
apply to R. B. Turner, Instructor
in Physics. Phone 643.

The Freshmen class of 1910, so far
has proven itself superior to any of the
preceding classes. If you doubt it,
ask anyone of our teachers and they
will tell you, one and all, that we are
wonders. For the ability to grasp
and absorb knowledge, it would be
hard to surpass us. The Sophomore
class, which, if they will kindly re-
member, were Freshmen last year
themselves, are inclined to think they
are able to outshine us in wisdom.
But when we are Sophomores, we
will be as renowned as we are as
Freshmen and as they are unknown.
—By a Freshie.

All those who attended the recital
of our talented schoolmate, Alma
Wolke, greatly enjoyed the rare treat
which she offered them. She has a
strong touch and plays with a great
deal of expression and understanding.
We predict for her a successful musi-
cal career. She will undoubtedly
become one of the noted artists of the
day.

All the match games played by the
Grants Pass Basket Ball Team will
probably be won by it, owing to the
fact that some of the Freshmen who
are excellent players are among its
members. They are the ones who
will do the winning.

The second year English class never
realized the length of a poem until
they began to measure Longfellow's
Evangeline by the foot.

If you do not exactly like the text
book in stenography now in use in
our High School, just wait until
Fritz Dean has completed the one he
has in contemplation. Doubtless it
will be the one used by all the first-
class stenographers before long.

The Botany class has been gardening
the past week. Their turnips are
doing fine, but their lettuce, beans
and potatoes have not yet shown
any signs of life. However the
stupidness on the part of the potato
seems due to an external cause.
When the botany class placed the
potato in the water, they did not
realize what a temptation it would be
to the passers by. But some student,
laboring under an overwhelming ap-
petite, was unable to resist the great
temptation and so hindered the growth
of our potato by taking a good sized
bite from the top. The culprit is still
at large but the botany class is on the
lookout. Beware! Don't eat the
next potato.

The Basket Ball girls desire to have
it known that not on account of their
noise, as was announced last week,
but on account of the disturbance
made by the Boys of the Boys team,
they were compelled to move to the
A. A. C. building. For we all know
that the stronger sex is the noisier.
Curious how Adam's example affects
even our High schoolboys.

We are glad to report that Gladys
Archer has fully recovered from a
severe attack of pneumonia and is
again in school.

The Freshmen regret to say that
they have lost from their Latin class
two of their students, whom they all
miss deeply. Luckily it was not the
one boy.

The Fourth year Arithmetic class
would appreciate the gift of an add-
ing machine.

The impulse to help a friend in
trouble is certainly a very praise-
worthy one. However, it might be
well to advise some members of the
Stenography class to cultivate a low
and gentle voice, before they act on
the impulse in recitation time. A
friend has come to see Miss B. She
says that it is the most important
thing that has happened to her for a
long time.

Free concerts are given each morn-
ing by Prof. Turner. Sometimes it is
on the violin, other times it is on the
guitar, mandolin, or banjo—in fact
just anything if you can stretch your
imagination to make it sound like it.
He will, however, generally tell you
before he begins, what he intends to
play so you will not think you are
listening to a violin when it is only a
three-stringed banjo.

Cures Old Sores

Westmoreland, Kans., May 5, 1902.
Ballard Snow Liniment Co. Your
Snow Liniment cured an old sore on
the side of my chin that was supposed
to be a cancer. The sore was stub-
born and would not yield to treatment
until I tried Snow Liniment, which
did the work in short order. My
sister, Mrs. Sophia J. Carson, Allens-
ville, Minn. Co., Pa., has a sore and
trusts that it is a cancer. Please
send her a 50c bottle. For sale by
National Drug Co. and Rotterdam, N. J.

Cecil Hayes and Love Parker, two
young men of this city, after a trial
in Justice Holman's court, were
bound over for trial at the April term
of circuit court to answer to a criminal
charge, bail being fixed at \$300
each. Two other boys, Cleve
Llewellyn and Joseph Linber were
tried for the same time and for the
same offense but were released
through lack of evidence. The trial
was the sequel to a whiskey drinking
spree in which the boys were engaged
Sunday afternoon with four girls, all
under 18 and two of them under 16
years of age.

A considerable amount of correspon-
dence was crowded out of this issue
through lack of space but will appear
next week.

Quartz blanks at the Courier office.
