**Surprised By Old Friends**

A very pleasant surprise was tendered Mrs. Mary Dodge and her twin sister Mrs. R. H. Lee Thursday afternoon, the event being in commemoration of their birthday anniversary. About 15 of the oldest friends of Mrs. Dodge were in the company and they bore with them a handsome silver teapot which was presented to Mrs. Dodge, while a lovely bunch of red and white carnations were presented to Mrs. Lee, the presentation speech being made by Mrs. R. H. Gillfillan. The afternoon was quietly but pleasantly spent in visiting as only the oldest and closest friends can.

**Men's Feed.**

The men of the Christian church and few friends enjoyed a feed of chicken pie and other good things at the church on Tuesday evening, March 5th. All favored the organizing of men's club and temporary organization was formed with Clark Bower as chairman, Charles M. Morrison as secretary and J. L. Calvert as treasurer. A committee was appointed to draft an outline of permanent organization and adjournment was passed to another meeting on Tuesday, March 19th, at 8 p. m. All regular services of the church are well attended and wide-awake.

**A Pleasant Reception.**

A reception was given to the new members by the older ones at the Christian Church on Friday evening, March 1st. The gathering was entirely informal and young and old seemed to enjoy themselves heartily. Many were prevented from attendance by business and absence from the city but 200 persons were present. Each member was known by his name on a card attached to the new member by pink ribbon and to the old by deep red. Dainty refreshment were served.

**Flight of Homing Pigeons.**

C. C. Presley on Thursday morning released a flock of 15 pigeons belonging to Mr. Bauer, a member of the Oregon Homing Pigeon club. The pigeons after circling around in the air at a high altitude for a half hour or more started northward on their trip to Portland, a distance of 296 miles. They left Grants Pass at 9:40 a. m. but did not arrive at their home until 4:29, thus requiring 6 hours and 49 minutes for the trip, which is considered slow traveling for a carrier pigeon. This is accounted for by the fact that they were delayed by a storm in the Willamette valley. Last year the trip was made in 5 hours and 10 minutes. This same flock made the trip from Roseburg this year in 4 hours. Later in the season when the atmosphere is less liable to be cloudy the flock will be sent to Grants Pass for another trip and they will probably then make better time.

**Joseph Moss Pays All Rebates.**

Insurance agents who took advantage of the circular issued February 14 by the Pacific Board of Fire Underwriters to refund the additional premium of 25 per cent on policies issued between May 1 and January 1 are now congratulating themselves that they lost no time in returning the rebates to their customers. By the circular issued by Manager Stone Wednesday the order to return these rebates was rescinded and only agents who promptly followed out the instruction of the original circular are able to give their clients advantage of the reduced cost. "I am glad to say that I succeeded in refunding all the rebates due my customers before the order of February 14 was cancelled," said Joseph Moss, who represents six prominent companies in Grants Pass. "When the rebates were allowed I lost no time in checking them off. Although it was a big task, all of the return premiums were paid before the rescinding order was received."
