The Good Roads Movement. The road question is as broad as the state and affects not only the benefits derived from free rural delivery of mail but every line of commerce and communication—Galveston Dally News.

The farmer was slow to learn the benefits to him personally of good roads, but the lessened wear and tear upon horses and vehicles, owing to gen-

eral tetterment of highways, have provwil to him that county money expended on road improvements is a capital investment, says the New York Herald. The extension of free rural delivery, one of his real home comforts, has been more enally possible owing to better roads being provided everywhere. He should urge his legislative representative to carry on the good work in further state appropriations.
