LAUREL GROVE

What a beautiful change since our last issue—the blessed sun is shining, birds are singing and everything denotes that Spring is here in full blast and farmers are busy farming in general, flowers are out in full bloom and meadows are green and growing fine and we may hear the old cow bell clanging on the hillside, as they eat the young grass that is now peeping out. Certainly this is God's country.

Mrs. Emily Day was visiting at our reporter last Sunday, also H. T. Day, Wardie Hyde, Miss Cara Lettiken, and Arthur Farra.

Messrs. George Vining and Alex Watts, Ira Daniels, our reporter, Fred Knox and Mr. Haberman paid your city a visit last Saturday.

Charles Haberman has accepted a position in the Oscar creek placer mine.

Walter Farra and Ira Daniels were visiting our reporter last Sunday. Jeff Wimer and family were in your city on business last Saturday.

Arthur Blodget and Jessie Gotcher of Upper Williams, passed through our busy streets last week with a bunch of fat cattle, that looks like money, eh?

Hark! Did I hear someone say, "Hello, Central"? Well, yes, I guess you may hear the bell ringing all the time as there are about 30 phones now in our valley and many more to be installed in the near future.

A. H. Carson and wife were visiting in your city last Saturday, also Mrs. Topping.

Mr. Gilmore, our genial post master and merchant paid your city a visit last Saturday, and brought out a load for his store at Murphy. He is a first-class gentleman in every respect. Give him a call.

There was a party given at Charles Williams last Saturday night and all enjoyed a jolly time.

Oscar Buch returned from Frisco last Saturday but intends going back soon.

I will say to "Eben" that I am coming over soon and want him to have his pony and rope and be ready for the round-up and if I find one that isn't branded, she is mine. All right, look out, I'm coming.
