Grants Pass Wins From Medford.

The first game of baseball of the season was played at the A. A. C. grounds Sunday afternoon between Grants Pass and Medford teams and was won by the home team in the 11th inning, in a score of 8 to 7.

The day was fine and the grandstand was packed with an enthusiastic gathering, but up to the fourth inning the game was too one-sided to be of much interest to the Grants Pass people. No scores were made in the first inning but in the second, Medford scored twice and added two more in the third. At this point in the proceedings, the home team began to play baseball and scored two points in the fourth inning—kept the good work going and tied Medford in the fifth. From this time on the game was closely contested and in the ninth inning the score stood 7 to 7. Neither side scored in the 10th, but in the 11th inning Grants Pass made the extra point, thereby retaining the championship of Southern Oregon.

Medford has a new pitcher this season, who like Pernoll, is left handed, but that is the only respect in which they are alike, as it was a noticeable fact that the home team "got next" in a remarkably short space of time and experienced no difficulty in hitting the Medford "South paw." Pernoll gained in strength right along and was pitching better ball in the 11th inning than at the first of the game, but the Medford boys could not see it that way—their bats were not wide enough for Pernoll's twirlers.

Grants Pass will play a return game at Medford Sunday.

A Brief Record of Local Events.

The Worthy Grand Matron for Oregon will be in Grants Pass Wednesday and visit the local lodge of Eastern Star.

The regular monthly meeting of the Commercial club will be postponed from Tuesday, May 14 to Tuesday, May 21.

The Willard Denison house on B street will be occupied about the 15th by Mr. and Mrs. Geo. Howland, who have been occupying the Gault house. See samples of crayon portraits at Hall's art room.

A very pleasant reception was given Tuesday at the Presbyterian church parlors by the Ladies Benefit society to Dr. and Mrs. Jennings, Mrs. R. O. McCroskey and Mrs. H. A. Rotermund, who will soon remove from the city.

There is activity in the Galice district among the mines especially at the Alameda where 80 to 40 men are employed at the mine and in road work. The company is building about three miles of road to connect with the Galice road for their use in hauling copper ore to the railroad. The Golden Wedge is working about a dozen men and are now in about 130 feet in high grade ore and have completed a raise blocking out a large body of high grade ore.

Roy Kremer graduated Wednesday evening from Cooper Medical College at San Francisco, and is now a full fledged M. D. Roy has lived in Grants Pass since childhood and has a large circle of friends here who predict for him a bright future in the medical field.

Dr. W. F. Kromer left this week for Reno, Nevada, with a view to locating there. He will be joined soon by Dr. Roy Kremer, who this Wednesday graduated from the Cooper Medical College at San Francisco, and they will practice together. Dr. Kromer has been a resident of Grants Pass for the past 20 years or more and has had an active part in the affairs of the city. For many year he conducted the National Drug store, was at one time mayor of the city and has attended patients in all parts of Southern Oregon for years.

Joseph Pollock left Wednesday for Berthoud, Colo., to spend the Summer with his daughter, Mrs. Bertha Davis, and her family. In a letter just received from Mrs. Davis she speaks of the weather in Colorado as having been very warm and pleasant in March but in April the temperature dropped to 6 degrees above zero and there was quite an amount of snow. Fruit, which has showed promise of a big yield, was all killed excepting perhaps some of the strawberries which were covered with snow.

South Sixth street residents were treated to a novel hurdle race Thursday morning, when a team belonging to Mr. Moore, which was standing in the Wilcox yard, became frightened and ran away. The horses jumped clear of the gate and the falling tongue of the wagon caught on the gate, opening it just in time to allow the passage of the wagon without striking the fence. The team ran around the block and collided with a fence, tearing down a few yards of it and damaging some harness.

Applegate Valley Thriving

John W. Pernoll, who with his mother, Mrs. S. Pernoll, and brother, Henry, conduct at Applegate one of the largest country stores in Rogue River Valley and also the postoffice at that place and the telephone office for the Applegate Valley Telephone Company, was in Grants Pass over Sunday night, returning home Monday with a load of good.

Mr. Pernoll stated that the outlook for the farmers of that section of Applegate Valley as very good for a prosperous year. Alfalfa, dairying, stock and fruit raising are the principal industries, and the hay crop will be large, the price is good at the local creamery for better fat, beef stock is doing well and the outlook is good for better prices, while the fruit has not been injured at all by frost as in other sections of the state.

More mining than usual is being carried on about Applegate. A large number of very promising quartz mines are being developed and a number of profitable placer mines have been worked this past winter. A five-stamp mill, was erected this winter at the Star mine on Thompson

Placer blanks at the Courier office.
