

He knew millions of feet of timber must be blissing.

He decided to remain on the ridge and study the course of the fire, so he lay down to rest. Sleep came over him, for the day had been a fatiguing one...

Clearly any attempt to go farther north would be but a waste of time and strength. The fire shut him off completely in that quarter. He must retrace his steps until he was well to the south again.

He did not sleep any more that night, but watched the fire eat its way across the valley. When it reached the slope at his feet he shouldered his pack and started south.

Night fell. He lighted a campfire and scraped together his bed of pine needles and lay down to sleep with the comforting thought that he had put a sufficient distance between himself and the burning forest.

There was need of constant vigilance now, as he was in a sparsely settled section. One night some men passed quite near to the fringe of tamarack swamp where he was camped.

These experiences startled and alarmed him. He grew gaunt and haggard, a terrible weariness oppressed him.

He had been living in the wilderness three weeks, when at last the fire drove him from cover at Buckhorn Junction.

There was something tragic in this blocking of his way. He wondered if it was not the Lord's wish after all that he should be taken.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, a mild liver with indigestion, says Dr. Pierce's Golden Medical Discovery.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle wrapper and attested under oath.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

He prayed that he might. Twenty-four hours later and he had turned westward with the desperate hope that he could cross out of the path of the fire, but the hope proved futile.

For two days he dodged from east to west, and each day the wall of flame and smoke drew closer about him, and the distances in which he moved became less and less.

at the hour of 10 o'clock a. m., at the front door of the County Court House in the city of Grants Pass, said County and State, all at public auction, subject to redemption.
