

Deafness Cannot Be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it has a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of 10 are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give \$100 for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

NEW HOPE

Rain and still it rains a little. It seems that "Monty" has a pick at me about fence. Well, even if I had built a brush fence as he stated, it would be better than none, like his.

Mrs. Wm. Messenger made your town a business trip Saturday.

Geo. Alperer has traded his little farm to Wm. Bull of Grants Pass for city property.

J. L. McColm was at the Pass Monday.

Several of our young folks attended Children's Day exercises at Wilderville last Sunday.

I wonder what "Red Cloud" thinks about "Eben" now.

We wonder what is the matter with the telephone.

Wm. Messenger has returned from San Francisco after an absence of six months. He had been working at the carpenter trade there.

BASE BALL NOTES.

Standing of the Rogue River Valley League:

Team	Won	Lost	Per Cent
Grants Pass	3	2	.600
Jacksonville	3	2	.600
Medford	4	3	.572
Ashland	0	3	.000

Grants Pass 6. Medford 3.

Is the way it stood at the end of the ninth inning last Sunday in the game between Grants Pass and Medford which was one of the best exhibitions of ball put up on the local diamond this season. The boys were all in the best of trim and the errors on both sides being but few, it was very plain from the start which side was going to be the victors as the Grants Pass boys started the first inning with three runs while Medford came up in the second by sending two men across the slab but were retired without tying the score. The rest of the runs were well scattered on both sides, Medford making but one and Grants Pass three more. Pernoll and Bossen, the two South-paws were in the best of condition, both allowing but few hits and keeping them well scattered. Johnnie Pernoll umpired the game, seemingly to the satisfaction of everybody. The few disputes which are liable to come up in any game being quickly and satisfactorily settled.

Following is the line-up:

Grants Pass	Medford	
Pernoll	P	Bossen
Phelps	c	French
Carter	1b	Purdy
Faubion	2b	King
Schmidt, A	3b	Miles
Smith	ss	Wilkinson
DeLamatter	rf	Malloy
Schmidt, H	cf	Isaacs
Riggs	lf	Rothemal

The game at Jacksonville last Sunday between the Ashland and Jacksonville teams was won by Jacksonville with a score of 5 to 3. The same teams play in Ashland this coming Sunday.

It is announced that the Roseburg team is going to make a tour of Southern Oregon. They play at Grants Pass on Thursday, June 20. This will no doubt be a very exciting game as the Roseburg team is playing fast ball this year. This game being on a week day is expected to bring out quite a number of people who do not attend Sunday games.

It is reported that Medford is going to strengthen up for the game on July 4, as they are bound to win this game at any cost, but Grants Pass is going to give them a run for their money, even if they do run in a few professionals.

The following is the schedule of the R. R. V. league for the remainder of the season:

June 16—Grants Pass and Medford at Medford; Ashland and Jacksonville at Ashland.

June 23—Grants Pass and Ashland at Grants Pass; Medford and Jacksonville at Jacksonville.

June 31—Grants Pass and Ashland at Ashland; Medford and Jacksonville at Medford.

July 4—Grants Pass and Medford at Grants Pass; Ashland and Jacksonville at Jacksonville.

July 5—Grants Pass and Medford at Grants Pass.

DEERING

Someone has asserted that a pack of fools live in Elk Valley. Well now, we do not just believe this, as we have never heard of anyone from here being sent to the legislature.

E. M. Albright returned from a business trip to Grants Pass Thursday.

Tomie Gilligan was in your city buying farm machinery and returned home Friday with a mower and hay rake. Tommie means business.

Clark Webb, Sr., has commenced haying this week and has the finest stand of orchard and rye grass that one can find anywhere.

Miss Pearl Sams who is teaching school in the O'Brien district, is the guest of Miss Anna Peterson over Saturday and Sunday.

The Courier does not always print our songs, but Elk Valley people keep right on singing them just the same.

Frank Stiwalt and wife, Roy Briggs and Miss Julia O'Brien, are guests at Mr. and Mrs. Frodelius today. These people hail from Waldo and vicinity.

D. L. Webb and wife, Mrs. Peterson, Bernard Frodelius and C. T. Webb were all on a shopping trip to Waldo this week.

Art Bigelow returned from Grants Pass the first of the week and was a visitor at the Webb mine Wednesday. From here he went over to the Diamond Creek country to look at some alleged rich copper claims there.

Mr. and Mrs. Bernard Frodelius and Mr. and Mrs. Alfred Peterson were guests of Mr. and Mrs. L. R. Webb Sunday, where strawberries and cream were the main issue.

We had people freezing to death here last winter with the mercury at 30 degrees above, and now the same people are cooked to a fare-you-well at 80 degrees above. Beats business how thunder keeps up.

Hark! What was that! Did we hear someone making a noise like a railroad?

Those editorials in the last two issues of the Observer, smacks of good favor.

Haying is here in dead earnest.

WILDERVILLE

My, haven't we been having cold, rainy weather, for the middle of June? Cold enough for November.

Sunday, the 9th being Children's Day here the church building was well filled. After the children finished with their speaking and songs, they gathered in the nice grove and having no table, spread their table cloths on the ground and partook of a bounteous feast.

Mrs. Akers made a business trip to Grants Pass Wednesday of this week.

Rev. Hoyle of Williams Creek made short visit with relatives at Wilderville Saturday evening of last week.

Engene Sams, after closing his term of school on Deer Creek, visited some folks a few days then went to Portland to work a few months in a box factory.

Grandpa Chalander, near Wonder has been ill the past week and has been staying at the home of Ben Bull up Chadey Creek.

There is lots of hay down that has been taking these rather heavy showers.
