REVOLUTION IN SOUTHERN CHINA

REBELS KILL CITY OFFICIALS AND SPRINKLE BANNERS WITH THEIR BLOOD.

Uprising Assuming Alarming Proportions, the Aim Being to Make China a Republic.

Victoria, B. C., June 26.—Refugees were fleeing to Hongkong from the districts affected by the revolution in Southern China when the steamer Empress of Japan, which arrived yesterday, left Hongkong. All reported the rebel movement as a most protentious one, with an army organized after European methods. War notes which the rebel leaders promised to redeem at twice face value after the fall of Canton were being issued, proclamations published and everything carried in form.

The rebel manifestos are issued in Chinese and English, and have six parts: For the overthrowing of the Manchu dynasty, the establishment of a republican form of government, nationalism of land and utilities, establishment of union between China and Japan and rearm of Chinese administration with assistance of foreign powers.

Most of the arms used are French quick firing rifles and machine guns, smuggled during the past three years by way of Amoy and Canton.

After capturing the towns on the way to Swatow, the rebel forces moved again northerly, seemingly making toward Canton, Huichou on the Kowleen and mainland opposite Hongkong was captured, the imperial troops being badly worsted. France is taking advantage of the outbreak to press for a French expedition being sent to Canton to protect that city, and Pekin officials are reported strenuously opposing such a move.

Large quantities of supplies for the rebels are arriving at Hongkong in the name of foreigners.

Some bloody incidents are reported. At Wongkong, near Swatow, where the civil and military officials are butchered as other cities are taken. Ywang, a customs official, was taken before the standard of the rebels and killed and the standard was sprinkled with his blood, as were some of the banners. This was done in accord with an ancient omen of success. Families of some of the officials were forced to drown themselves in sad condition, many having abandoned everything, even sick and children in their precipitate flight.

Outbreaks have been reported also from Hunan and Sechnan, and seizures of contraband arms are being made at the Chinese ports. A seizure has also been made at Kobe where at request of Viceroy Yuan Shi Kai, the Japanese Government was asked to prevent a large shipment of arms being sent to China by a German firm.

Welcome to MacArthur.

Milwaukee, Wis., June 26.—Lieutenant General Arthur MacArthur, who has returned to his home in Milwaukee after years of active service in the army, is to be tendered an ovation by his old friends and former school fellows. The testimonial will take the form of a dinner at the Plankinton House, to which have been invited a number of prominent officers of the army and navy, as well as all of those who were classmates of General MacArthur at the old Milwaukee university.

Russians Plot to Steal \$50,000,000.

Victoria, B. C., June 26.—A plot to steal \$50,000,000 from the Russian Government offices at Tachita, where the money was kept for enterprises in Siberia, has been discovered, and thirty Russians arrested. They had made a tunnel 120 yards long from a hotel to the safe, and when the plot was ripe it was disclosed, almost all of the plotters being captured.

Many Hurt in Car Runaway.

Los Angeles, June 26.—Running at terrific speed through an almost impenetrable fog a Redondo car of the Los Angeles Pacific Railway, crowded with Mexican laborers, crashed into a freight train of the same line and was almost totally demolished. Motorman Valdez of the passenger car was taken from the wreck in an unconscious condition and eleven of the Mexican occupants were seriously injured. Valdez may be fatally hurt.

The Magic No. 3.

Number three is a wonderful mascot for Geo. H. Parris, of Cedar Grove, Me., according to a letter which reads: "After suffering much with liver and kidney trouble, and becoming greatly discouraged by the failure to find relief, I tried Electric Bites, and as a result I am a well man today. The first bottle relieved and three bottles completed the cure. Guaranteed best remedy for stomach, liver and kidney troubles by all druggists. 50c."

DON'T DIE AT 45

Cure the Indigestion Which Is So Liable to Lead to Apoplexy.

People who suffer with headache, giddiness, palpitation, bad taste in the mouth, drowsiness, distress after eating, and any of the other distressing results of indigestion, are in serious danger. Their digestive organs cannot care for the food properly and hence the coats of the blood vessels in the brain get little nourishment, become brittle, and finally yield to the fierce blood pressure and one is then said to have a "chok," be paralyzed, or die from apoplexy. In all diseases of digestion and nutrition the prescription called Mi-on-na has proven itself of great value. It is relied upon today as a certain to relieve the worst troubles of indigestion and make a complete cure.

That Mi-on-na will cure the worst forms of stomach trouble, cancer excepted, and give quick relief in indigestion is proven by the guaranteed Demaray gives with every 50 cent box to refund the money unless Mi-on-na cures. A guarantee like this must inspire confidence.
