THE MASK OF HEALTH

Few People Are Really as Well as They Look. Cause and Remedy.

"Many people in Grants Pass, both men and women, who believe themselves to be in perfect health, are often in the greatest danger.

The most common cause of ill health is indigestion, with a myriad of symptoms such as headache, sleeplessness, specks before the eyes, pains in the back and side, distress after eating, etc.

In the last few years the success of physicians everywhere with Mi-o-na stomach tablets has made them known far and wide as the acknowledged specific for the treatment of stomach diseases. They strengthen the digestive organs so that in a few days the stomach is in such shape that it takes care itself of all the food that is eaten, without pain or distress. Demary gives an absolute unqualified guarantee that your money will be refunded unless Mi-o-na cures. We will take the whole risk and the remedy will not cost you a penny unless it cures you.
