The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials.

MARRIED.

WHEE-HARTMAN—At Spohnae, Wash. Wednesday, August 7, 1907, A. H. White, and Miss Essie Hartman.

Both bride and groom are well known and highly respected in this city, having formerly resided here. The groom was for a number of years a business man of this city, while the bride was one of our most popular young ladies. Mr. and Mrs. White will make their future home at Sandpoint Idaho.

DIED.

DENISON—In Grants Pass, Oregon, Wednesday, August 21, 1907, J. Willard Denison, aged 26 years, of pulmonary troubles.

The deceased was a native of Oregon, having been born at Salem, May 5, 1881, and he became a resident of Grants Pass some 12 years ago, during the most of which period he was a salesman for the firm of Kinney & Truax. He was compelled to give up this position of trust, one year ago, on account of failing health. In speaking of him Mr. Truax could not find words to express his appreciation of the sterling worth of the young man. He was indeed a man of exemplary character and one held in the highest esteem by both employers and associates in the house. So valuable were his services that it took the firm all of a year to find a man capable of holding the same position. Mr. Denison was married to Miss Lillian Hogan, of Jefferson, Oregon, one year ago, in Portland. He resided in California for a short time after his marriage and then came back to this city to again reside. He again attempted to engage in active business, but continued ill health prevented his doing much along this line. He was a highly respected member of the Modern Woodmen of America, which order participated in the funeral services which were conducted by Rev. C. O. Beckman, at the Newman M. E. church, the edifice being filled with the many friends of the departed. The interment was in the Odd Fellows cemetery. Deceased leaves a wife, mother, two brothers, who were in attendance upon the obsequies. Thus does this community lose another most estimable young man and one whose memory will be cherished by those who were fortunate enough to be numbered among his host of friends.
