MOBS KILL EIGHTY JEWS

MEN, WOMEN AND CHILDREN FALL VICTIMS TO BLOOD-THIRSTY RIOTERS.

Shops and Houses Are Looted and Semites Massacred While Protecting Their Homes.

Vienna, Sept. 11.—Another massacre of Jews has taken place in Kishineff. Armed gangs yesterday attacked the ghetto there as they did in 1906. Eight Jews were killed and many more wounded. As usual, the police made no attempt to stop the slaughter or to save the property of the Semites. The shops and houses of the Jews were looted by the bloodthirsty rioters, and many of the victims were killed or wounded while defending their homes against invasion.

The outbreak of anti-Semitism has been brewing for several days. Aroused to fury by ringleaders, the rioters gathered into armed gangs yesterday and started their attack on the Jewish quarter. The stores of the Jews were first pillaged and their owners struck down whenever they resisted. When they learned that there would be no interference by the authorities, the rioters abandoned themselves to indiscriminate assaults. The Jews barricaded themselves and their families in their homes and fought back the rioters as long as they were able, but in many instances they were overpowered and paid the penalty for their resistance with their lives.

Women and children were attacked unmercifully and many outrages against young girls were committed. Appeals for protection from the Jews were unheeded by the authorities until nightfall, when patrols were tardily stationed in the streets of the Jewish quarter.

Many Jews fled from the city and sought to cross the border into Roumania, but they were stopped there by the Roumanian guards, who would not permit them to enter the country. The Jews are in a state of panic and more bloodshed is feared.

Fire Injured by a Circle Swing.

Sacramento, Sept. 11.—Five persons were injured, two of them seriously, by the collapse of the circle swing at Oak Park last night. Suddenly, when the swing had attained its greatest centrifugal velocity, a belt snapped in the engine room and the cars crashed against the operating house in the center.

Luckily only two or three of the cars were occupied. Mrs. M. Speich and C. Reid of Seattle were badly bruised. William H. Glenn of this city was severely cut about the face and may lose his sight. Miss Jennie Feeny of this city received serious internal injuries. Mrs. H. Schoenberg, also of Sacramento, was badly shaken up and bruised.

Earlier in the day a car ran off the tracks at the scenic railway and one of the occupants was slightly injured.

WHEN HER BACK ACHES

A Woman Finds all Her Energy and Ambition Slipping Away.

Grants Pass women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders.

Mrs. S. Collins of 679 High St., Salem, Ore., says: "Troubles with my kidneys and backache have caused me much annoyance for several years. Although I used a good many remedies I obtained no positive relief until my attention was called to Doan's Kidney Pills and I procured them at a drug store. They soon brought me effective benefit, ceased the bearing down feeling through the back and loins and banished the aching and other symptoms that had annoyed me for so long. I have since learned of others who think the world of your reliable remedy and I gladly recommend it to all suffering from backache or kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's and take no other.

ROBBER KILLS OFFICER'S WIFE

CORNERS THIEF, WHO OVER-POWERS HER AND SHOOTS HER WITH HER PISTOL

Murderer Escapes After Committing the Crime—Bloodhounds Are Placed on His Trail.

Norfolk, W. Va., Sept. 11.—Mrs. Mary Lawless Rorschach, wife of Lieutenant Frank Rorschach, U. S. N., and sister of Joseph T. Lawless, former Secretary of the Commonwealth of Virginia, was murdered in her home, No. 832 Park avenue, Portsmouth, by an unknown burglar early today. She was shot through the heart with her own pistol, taken from her hand by the burglar after she had fired twice upon him through an open door leading into the kitchen, where he was cornered. Whether he murdered was a negro or white man is unknown. He escaped, dropping the pistol as he fled from the house.

Bloodhounds brought from Portsmouth secured a scent, but soon lost it. Mrs. Rorschach's husband is on the cruiser Tennessee with Admiral Evans' fleet off Provincetown, Mass. The shots awakened the oldest boy, Frank Jr., and the mother cried to the boy upstairs: "Frank, somebody has taken my pistol and shot me. Go quickly for help."

The boy rushed for help, but when he returned with neighbors his mother was dead.

The Rorschach home is immediately in the rear of the Naval Hospital woods in Portsmouth and near a lumber mill to which negroes frequently pass. A newsboy who lives near the home saw a negro shortly after the tragedy running rapidly by his home toward the small foot-bridge, where the bloodhounds went when they caught the scent.

While Mrs. Rorschach had a lamp in her hand the burglar was in the kitchen in the dark. She evidently heard the man and fired in his direction. Both bullets fired by the woman were found in the wall of the kitchen.

Mrs. Rorschach, with her money tied in a roll and hanging around her neck, had run down the back steps. She was found lying with her head on the second step. The pistol had been fired close to her left breast. Three chambers were empty. Of these two were fired by Mrs. Rorschach and one by the burglar. Her money and jewelry were untouched.

Mrs. Rorschach was a handsome woman about 36 years old and one of the most accomplished musicians in Virginia. Her husband Rorschach was formerly a U. S. senator, but was appointed to the U. S. navy.

Committee for Handling of Strike

New York, Sept. 11.—At the meeting of the executive committee of the Western Union Telegraph Company held yesterday, the payment of the usual quarterly dividend was provided for and the following resolution was unanimously adopted:

"Resolved, That the executive committee of the Western Union Telegraph Company on behalf of the company hereby places on record its hearty appreciation and unqualified approval of the course which the president and the officers of this company have pursued in connection with the late strike of operators and congratulate them upon their success in maintaining the integrity of the service under the control and direction of those rightfully charged with the responsibility."

Failed to Appear in Court.

Los Angeles, Cal., Sept. 11.—The presidents of the four ice companies arrested for violation of the Cartwright anti-trust law did not appear in police court yesterday, the time set for trial.

Attorneys representing the defendants filed demurrers, attacking the constitutionality of the law. It is probable that a decision on the matter now at issue will not be rendered for two months.

The specific charge against the heads of the so-called ice trust is that of simultaneously advancing the retail price of the commodity 50 per cent.

Soldiers Held in Readiness.

Gibraltar, Sept. 11.—Orders have been received here by the Spanish military authorities at Algeiras, near here, to hold a brigade of 3,000 men in readiness to embark at once for Tangier.

The Grants Pass Banking & Trust Co., has entered into an agreement with J. D. Wimer, permitting him to construct a ditch to his lands from the ditch formerly owned by the Applegate Boom & Lumber Co., and to have the use of 400 miners inches of water for irrigation purposes and in case the first party at any time is to use the said extension, then it is to forthwith pay the builder half the cost of building sum also hereafter at half of the expenses for operating the same.

County Treasurer Taylor informs the Courier reporter that the county warrants have been called up to within only about three years in arrears. This is quite a contrast to what was the condition of things when Mr. Taylor went into office, 10 years ago, when the warrants were about nine years behind. This is a splendid showing and will compare most favorably with the conditions that exist in any other county in Oregon.

Sheriff Russell is getting ready for the sale of all property upon which there is any delinquent taxes and all owners who fail to make payment of the annual stipend into the county on or before Monday, October 7th, will find that they are "on the list," as that is the last day in which the taxes can be paid, without extra costs added.

One of the acts of the last legislature which does that body no credit is an amendment to the tax laws which abolishes the provisions requiring advertisement in the public prints of any delinquency before same becomes a lien upon the property. The law will not become effective upon this year's assessment as it is interpreted, and there will be time for the next legislature to amend it and restore the advertising provision, which is a safeguard in the interest of the property owner and against the tax title shark, who wants as little publicity as possible in his transactions.

She Found Relief.

If you are troubled with liver complaint and have not received help, read this. Mrs. Mary E. Hammond, Moody, Texas. "I was in poor health—with liver trouble—for over a year. For sale by Demaray and National Drug Co."

Wellman Abandons His Trip to Pole.

Tronoe, Norway, Sept. 11.—According to reports received here it is stated that Walter Wellman and his party of the Chicago-Herald expedition will probably return here at the end of the present month, abandoning their plans to reach the pole in an air-ship for the present year. No start had been attempted up to August 28, and the weather subsequent to that date precluded an ascent of the airship, northerly winds, fogs and snow prevailing.

Anti-Toxin for Diphtheria Germs.

Columbus, O., Sept. 11.—Announcement of the discovery of an anti-toxin that will kill diphtheria germs in the living human organism within three minutes has been made at the Ohio State University by Professor Blydie, chemist, as the result of an exhaustive technical and intricate series of tests. The discovery is accredited to Theodore Wolfram, a German chemist. It is applied by infusion and can be administered in any quantity to the youngest patient.

Boy Falls to His Death From a Pole.

Los Angeles, Sept. 11.—Benjamin Small, a plumber's apprentice 17 years old, fell from the top of a pole 40 feet high and was instantly killed. The accident happened at Pico and Hope streets. The boy, in his eagerness to see a fireworks display, climbed the pole and sat on a cross-arm within a few inches of a high voltage wire. Whether his fall was the result of an electric shock or of losing his balance is not known.
