

AN AERONAUT'S PERIL

HITS AGAINST BUILDING WHILE ASCENDING IN A BALLOON AND IS BADLY BRUISED.

Richmond, Va., Sept. 11.—Amidst a startled throng which had gathered from Richmond and surrounding towns to witness the festa here this week Monsieur LaBouchere, the aeronaut, in making an ascension yesterday afternoon was whipped against the side of Montherichard's hall and quite seriously injured.

As the huge balloon shot skyward a cry of horror went up from the assembled throng when it was seen the aeronaut would probably hit the structure. Some watching with open-eyed amazement, others closing their eyes, fearing a terrible spectacle, he struck the building with terrible force and, rebounding, was whisked against it a second time before the building was cleared. But with grit and daring intrepidity the aeronaut clung to his trapeze bar and fished an otherwise successful ascension. The aeronaut lit several hundred feet away, unable to stand and suffering terrible agony as a result of his experience. Physicians found upon examination that no bones were broken, but that he was simply bruised. The ascensions will be made the balance of the week by another aeronaut who is with the company furnishing the concessions.

To Prevent Raise in Rates.

Portland, Ore., Sept. 11.—The Oregon State Railroad Commission, at the instance of the Oregon and Washington Lumber Men's Association, is to present a petition to the Interstate Commerce Commission at Washington, D. C., requesting that the Interstate Commerce Commission restrain the transcontinental railroads from inaugurating the prospective raise in rates on east-bound lumber until after the Interstate Commerce Commission have investigated the methods of the increase. The railroad commission has also addressed communications to the Railroad Commissions of Washington, Idaho, Montana, Colorado, Wyoming, North Dakota, South Dakota and Minnesota calling attention to the fact that the increase in freight rates will cause a radical increase in the prices of lumber in the East and asking those commissions to make similar appeals to the Interstate Commerce Commission.

WOMAN SCARES ROOSEVELT JR.

Deserts Hiking Cavalry When She Breaks into Tent to Pet Him.

Chicago, Sept. 11.—Kermit Roosevelt, son of the President, who was making the long hike from Leavenworth, Kas., to Fort Sheridan, Ill., with the first squadron of the Thirtieth United States Cavalry, deserted the soldiers at Joslyn, Ill. He developed today, after a woman had broken into his tent to pet him. FIVE CARMEN SHOT IN RIOT.

Policemen in Making Arrests Defend Themselves by Use of Revolvers.

San Francisco, Sept. 11.—Five non-union carmen were shot in a pitched battle that took place shortly before midnight last night at Twenty-fourth and Utah streets between members of a United Railroads wrecking crew and three policemen.

The battle started a short distance from the United Railroads carbarn between the wrecking crew and some union pickets. It was continued directly in front of the carbarn, and there the police took a hand and the casualties resulted.

The battle lasted for several minutes. Volley after volley was fired by the men on both sides. The wounded were taken to St. Luke's Hospital. One of them will die.

Ninety-six patrolmen surrounded the barn at an early hour this morning to prevent the escape of several non-union carmen who are supposed to have had a hand in the shooting.

The names of the victims are Morris Risenberg, who will die; Roy Perkins, J. J. Cotter, Harry Cochrane and Frank Smith, all of whom received bullet wounds.

The battle started when a wrecking car approached the barn of the United Railroads at Twenty-fourth and Utah streets. There were fifteen men on the car.

As the car passed a tent which was occupied by union pickets it was stoned, according to the story of the car crew. Windows were broken and they replied by opening fire on the tent with their revolvers. Several shots were exchanged, but no casualties resulted. The car proceeded on its way to the barn.

There five men alighted and remained in front of the barn. In the meantime the shots had attracted Police men R. L. Wade, J. W. Miller and Arthur Bigelow to the scene.

As they approached the policemen say the five non-union carmen leveled their revolvers.

The patrolmen shouted to them not to shoot.

Despite the warning one of the non-union men opened fire. Then the trio of policemen used their revolvers. The five carmen fell one after another. Immediately following a riot call was turned in.

The men who are the occupants of the tent state that they were informed that a wrecking crew was going to make an attack on them at 11:30. When the car passed they say the non-union men broke the windows and opened fire on them.

GOULD FOR 36 YEARS

CALIFORNIA PIONEER RETURNS TO HIS FIRST LOVE AFTER YEARS OF WAITING.

South Bend, Ind., Sept. 11.—After waiting thirty-six years, R. T. Wheeler of Sacramento, Cal., came to South Bend yesterday and claimed the sweetheart of his youth, Mrs. Rebecca Baer Noblock Hummel, as his bride.

It was the San Francisco earthquake and fire that proved their love guide. In 1871 Mr. Wheeler bade good-bye to Rebecca Baer and set his face toward California and his dreams of fortune. The gold mines were his aim, but the golden dreams did not remain. His letters to the girl became shorter and farther apart and finally ceased.

Time went by and Miss Baer became Mrs. Rebecca Baer Noblock. Mr. Noblock was thrifty and at his death a few years later left his widow a snug little fortune of \$85,000. Wheeler had given up mining and opening up a photograph supply house in San Francisco, was making strides toward his fortune. Then the earthquake came and the fire which swept over his shattered plant left him penniless and wounded.

He wrote to a cousin, not to ask for money, but to ask about his old friends. It was natural that he should inquire for Rebecca Baer, who had married again and become Mrs. Rebecca Baer Noblock Hummel. When Mr. Hummel died Mr. Wheeler sent his old sweetheart a simple note of sympathy, and before many letters had passed the old love was re-awakened.

Blown to Pieces by Giant Powder.

With Clarence Shannon he started in a boat to a place where he desired to blow out a snag. Batham was seated in the rear of the boat directly over a stick of powder and giant caps. In some unknown manner an explosion occurred. Probably a few pieces of his body will be found along the river bank later. Shannon lost both eyes and it is believed he cannot live.

Stockman Fined for Illegal Grazing.

Bale of Formosa, a stockman, convicted of illegal grazing of cattle in the national forest reserve of the Black Hills, was fined \$100 by Judge Garland in the Federal Court here and upon payment Bale was released. Bale's defense was that there was no intentional wrong; that he was unable to prevent his stock from getting on the reserve, and that Congress had no right to delegate authority to the Secretary of the Interior to make regulations requiring a permit to take out for grazing.

Will on the Back of a Check.

Washington, Pa., Sept. 11.—The shortest will ever filed for record in Washington county was of Hugh Hallam, who died recently. The instrument contained just twenty-two words and was written on the back of a blank check. It was dated 1839 and had been neatly folded and placed in Mr. Hallam's vest pocket. It contained a single sentence, which conveyed all his property to his wife.

DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and poisons. In reality, they are all only symptoms caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made, the suffering patient gets no better, in reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause, would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured."

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down, debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve, "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three a dose. Easy to take as candy.
