Many Mining Matters

Some talk has been occasioned among local mining people by the fact that the Golden Drift Mining Co., has posted notices on its property, near this city, to the effect that it intends to condemn property for a right of way for irrigation purposes, proceeding under the law of 1905, which gives such an undertaking the right of eminent domain.

Mrs. Geo. A. Hamilton, of Grants Pass is in receipt of a communication from her husband, who left here last spring for Dawson, in the Yukon territory, to look after some large placer interests, has just closed up a five season's run and that he will leave Alaska the latter part of this month for home.

Grants Pass merchants are aware of the fact that there are many mining men in this district, for a great many of them are coming here to lay in their supply of material for the long winter's run and their trade is a no small item. In fact this city may be regarded as the supply point for a large mining territory.

J. S. Bangardner, who has just returned from his summer's trip to various eastern states, has gone out into the mining district this week, and is making arrangements to proceed with work on his promising placer property, the "June Bug," which is located on Grave Creek, in which Dr. P. L. McKenzie, the noted Portland physician is also interested with him. They already have a 100 foot tunnel and now they will begin some extensive development work on the mine.

Mining men of this valley cannot overestimate the good to be accomplished by having creditable exhibits of their ore displayed at the Grants Pass Commercial Club rooms, where many newcomers call every day and not a few of them are greatly interested in mining.

Notices of claims of water rights for mining purposes have been filed for record in the county clerk's office as follows: J. C. Cochrane, for the Cochrane ditch, tapping the school House Branch, in the Jump-off Joe mining district; A. O. Torrey, for the Torrey ditch, tapping the waters of the Pine creek, in the Williams mining district.

The following location notices have been filed: B. G. Strock et al, quartz claim on Swapit lode, in Canyon creek mining district; quartz claim by same parties in Hari-Kari lode, in Canyon creek mining district; quartz claim by same on Winder lode, in Canyon creek mining district; quartz lode, by B. F. Carroll, on Yellow Stone lode, in Canyon creek mining district.

Wm. W. Dry has made a quit claim deed to Stephen Rynski for \$350, to his interests in and to the Olive Dry mining claim and the water right in the Althouse district.

Ed Cassidy deed to the Argo Mining Co., his water rights for all mining purposes in Snake creek, Rat creek, Mouse creek, all flowing into the Rogue River, in consideration of the sum of \$1. He also deeds to the same company his interest in mining claims in the Galice district.

AMONG THE LODGES

The annual "Harvest Home Festival Banquet," which the members of Melita Commandery No. 8, Knights Templar gave Friday evening, at the Maconic Temple, was a grand affair. An informal reception was tendered the ladies and many invited guests in the parlors of the lodge, beginning at 8 o'clock and then the assembled multitude repaired to the banquet hall, where there was spread before them tables heaped with all that could be desired, in the way of toothsome articles and the repast extended far into the night. Sweet music was discoursed by the Grants Pass orchestra in a very acceptable manner and the following menu engaged the attention of one and all: oysters, a la violette, olives, celery, unfermented grape juice, baked unamitima salmon, lemon juice, dill pickles, salted almonds, sweet pickles, sherbet, fried spring chicken, with dressing, sweet potatoes a la casserole, shrimp salad, a la murphy mayonnaise, apple pie, pumpkin pie, cheese, cake, coffee, home harvested apples and grapes. During the banquet were interspersed some excellent toasts, toastmaster George M. Durham calling for the following: "Welcome to our Guests," responded to by the Toast-master in a very happy manner; "Goodfellowship," to which L. B. Hall gave a hearty response; "The Season," responded to in a very fitting manner by Mrs. Thomas W. Pack; "Knights and their Nights," which was handled in a very witty manner to the delight of all by Mrs. George H. Durham; "Our Harvest," was the toast to which Hon. L. L. Jewell was assigned and he spoke in very entertaining way; "A Mason's Duties," was given to a visiting brother, L. L. Nelson, of Berkeley, Cal., who delivered a very telling short talk; Worshipful Master, R. W. Clarke, of Blue Lodge No. 84 enthusiastically dwelt upon the toast; "Our Hopes;" and Mrs. Alva H. Gunnell gave the closing toast in a very pleasing and interesting manner on "To the Sir Knights." It was at a late hour when the festivities of the occasion came to a close and the gathering departed, after having enjoyed themselves as only Masons know how to enjoy such an occasion.

Much interest is being taken by the members of Takilma Tribe, No. 29, improved Order of Redmen, in the grand pow-wow which the tribes of Southern Oregon will indulge in at Medford, tomorrow. From all reports it promises to be one of the biggest and most successful gatherings of lodge men held in this neck of the woods for many a day. Quite a good-sized delegation will go from this city to anticipate in the "high jinks" and it is just possible that the degree team of Wenonah Council No. 10 will go up and participate in the great parade and perhaps to exemplify the work of that order. Undoubtedly it will be a big affair and one long to be remembered by those participating in it.

Monday evening the members of Azalia Circle, Women of Woodcraft had an interesting meeting, when candidates in waiting were given the degrees and then followed a social session, during which delicious refreshments were served. The affair was delightful throughout.

Longer longer over it; let it be steaming hot from the earthen pot; and the loveliest woman pour it.

GRANTS PASS HARDWARE COMPANY

OUR NATIONAL DANGER

Time to Cry a Halt Before a Panic Comes.

The business spirit is crashing out the sweeter element of home life. We are in danger of a great commercial decli e, because we, as a whole, think only of getting wealth.

There are thousands, both men and women, who do not take time to eat properly. They rush through life, and as a result we have an age of indigestion, nervousness, irritability, sleepless nights, and morose disposition.

With the discovery of Mi-o-na tablets, there is no longer any excuse for one to have ill health from stomach weakness.

Mi-o-na strengthens the walls of the stomach, stimulates secretion of the digestive juices, regulates the liver and restores muscular contraction to the intestines and bowels, so no laxative is needed.

Sick headaches, palpitation, bad taste in the mouth, yellow skin, irritability, coated tongue and melancholy are a few of the many distressing results of indigestion. Mi-o-na never fails to dispel all these troubles.

Demaray sells Mi-o-na in 50 cent boxes, and guarantees to refund the money if the remedy does not give satisfaction.

Hard Times in Kansas

The old days of grasshoppers and drought are almost forgotten in the prosperous Kansas of today; although a citizen of Codell, Earl Shamburg, has not yet forgotten a hard time he encountered. He says: "I was worn out and discouraged by coughing night and day, and could find no relief till I tried Dr. King's New Discovery. It took less than one bottle to completely cure me." The safest and most reliable cough and cold remedy and lung and throat healer ever discovered. Guaranteed by all druggists. 50c and \$1. Trial bottle free.
