CATARRH IS CURABLE

Successful Experiments in Abating and Curing This Disease
Catarrh is an entirely unnecessary disease and should not be tolerated for a single day now that Hyomei is so generally known and has made so many cures in Grants Pass and other towns.
Until comparatively recent times catarrh was thought to be a blood disease and stomach dosing the only treatment. Modern science finally approved this idea of the cause of catarrh, and found that it was a germ disease and, after many experiments, the remedy was decided to be Hyomei. Hyomei medicates the air you breathe; it kills the catarrhal germs; it heals the smarting and raw membranes of the passages in the nose and throat; it cures all catarrhal troubles. As there is life and health in the air in the mountain tops where the pine forests give off their fragrant and healing balsams, so there is life and health in breathing Hyomei. There is no need of suffering from catarrh if the simple and natural treatment of Hyomei is used.
So sure is this prescription to cure even the worst cases of catarrh, that Demaray sells it under an absolute guarantee to refund the money if it does not do all that is claimed for it.

LAUREL GROVE

As "Red Cloud" has been busy and we haven't seen any items from Laurel Grove, I thought I would send in some.

Still fine warm weather yet and does not look like we are going to have winter for quite a while yet.

H. T. Day paid Grants Pass a visit last Saturday, also Oscar A. Williams and Mr. Haberman.

Mrs. Lida Swinden was in Grants Pass transacting business.

Sch. 01 is progressing nicely at Laurel Grove.

Oh yes, what has become of the Hood River editor, who used to be in Grants Pass, principally at the Courier office?

Mr. Louis Carson was at the home of our reporter last Sunday.

Mr. Spencer took a load of hay to your city last Saturday.

Oh yes, the telephone is alright now after so long a time.

Lumber hauling is still in session and will be until the roads get bad as there is about 300,000 feet to be hauled yet.

A. H. Carson is kept very busy this summer and fall gathering his fine grapes and people visit the vineyard every day. There has been over 200 people who have visited this vineyard this summer and fall. Mr. Carson certainly has reason to believe that grapes are adapted to this climate as all his grapes do fine. Mr. Carson has worked and planned for some years past but he has made a success.

O, yes, the R. F. D. No. 1 is all right. We missed it by not having it five years ago.

Mr. Walter Farra and family started to Eastern Oregon last week. They intend being gone about a month.

Miss Cora Lettken is staying at the home of Mr. Provolt at present.

Well, well, what will we do as "Monty" of Davidson has gone to California to work, also what will his girl do?

J. S. Bumgardner has been doing some work on his claim known as the June Bug, of late.

RED CLOUD.

Mrs. Edward Swinden of Laurel Grove passed through our burg Monday.

Mrs. Wm. Messenger is visiting with Mrs. Dick Lindsay of Wilderville.

Mrs. Dow returned home after a few days' visit with her mother, Mrs. Daniels.

Where, oh where is "Red Cloud" and "Monty"? Sleeping? Why I guess not, but just forgot to write.

We thought we heard Charles Meserve say "telephone for New Hope."

Died—Near Woodville, October 11, 1907, Benj. Owings, aged about 53 years. The deceased was a native of Missouri, but has lived here many years. He leaves a wife and several grown children, also aged mother and two brothers who reside in Medford. The circumstance is doubly sad, considering the fact that the unfortunate man committed suicide, presumably during an attack of temporary insanity. He was, at one time, an inmate of the asylum for the insane, but was released about one year ago, apparently recovered. The sympathy of many friends is extended to the family and other relatives.

The Acon Camp of the M. W. A. gave a supper last Saturday evening to a number of invited friends and neighbors. Over 100 plates were laid and the menu consisted of boiled venison, baked salmon, chicken, quail, pickles, bread and butter, coffee, pie and cake. With C. E. Sams and Matt Scott as captains, the members went on a hunting contest Friday, in which Mr. Sams' party came out victorious, leaving Mr. Scott and his men to stand the expense of the supper. After the tables were removed, a free dance was given, and all present seemed to enjoy themselves.
