Crowded out last week. Will Pyburn came home from Medford tast week.

Mrs. Ziders and her granddaughter. Stella Hulen, have returned from Azalea.

J. L. Scott is still very seriously ill, we are sorry to say. Dr. Flanagan is in attendance

Mart Burkbart is building a roomy. two-story addition to his house here in town.

Married-In Jacksonville, Nov. 6, 1907, by Rev. Robt. Ennis, Edward Boyd and Mrs. Florence Hulen, both of Woodville. They have numerous friends here who extend congratulations and best wishes. While at Medford, en route to Jacksonville, the groom learned the sad news of the death of his father, Michael Boyd, an Oregon pioneer, consequently the usual charivari and merry making were respectfully dispensed with.

Died-In Jacksonville, October 31, 1907, Harry Taylor, beloved son of Mr. and Mrs. T. H. B. Taylor, aged 36 years. Death came as a relief, after months of illness, against which loving care and medical aid availed nothing. He leaves a wife and two children, besides his parents and other relatives, who have the sympathy of a host of friends. The body was sent to Woodville for burial, Rev. Day conducting the funeral service. The floral offerings were many and beautiful.

BEST OF PROOF

That Hyomei Will Cure all Forms of Catarrhal Diseases

Testimonials could be printed by the thou-ands, many of them from the thou-ands, many of them from Grants Pass and nearby towns that Hyomei is an absolute cure for all catarchal troubles, but the best proof of its unusual curative powers is the guarantee that Demaray gives with every outfit that he sells, "Money back if Hyomei does not do all that is claimed for it."

is claimed for it."

Hyomei is not a secret remedy. Its formula is given freely to physicians who want to know what they use when they prescribe Hyomei. It is guaranteed under the Pure Food and Drug Law by serial No. 1418.

By breathing Hyomei, the healin medication goes directly to every nock and corner of the air passages where the catarthal germs may lurk,

Roadside Tree Culture.

The question of tree planting beside the highways is becoming more and more popular both from its economic and systhetic standpoint, says the Good Roads Magnetine, It has been suggested in New York that the state establish a nursery on some part of the state domain to raise stock for this purpose. The expense would be a slight addition to that now required to supply trees for public grounds and forest pre-

Progress In Ontario, Canada. About 2,000 miles of highways have been improved since the establishment of the good reads act in the province of Ontario. The department was or gauted ten years ago and during that time the townships have raised for expenditures on roads \$10,500,000, H addition to county grants and exclusive of cities, towns and villages.
