DOINGS AT THE COURT HOUSE

Items of Interest to the Taxpayers of Josephine County
From the Various County Officials

Visited Many School Districts.

Last week and the week before
County Superintendent of Schools,
Prof. Lincoln Savage made a tour of
the southwestern part of the county,
paying all the public schools in that
part of the county beyond Hayes Hill
and a couple this side, an official
visit. He went astride his "bike,"
having only a rain coat and an um-
brella to protect him from the in-
clemency of the weather. He found
very good public highways, except
from the Applegate valley into this
city.

Superintendent Savage was pleased
to note among the various schools that
the average attendance was much bet-
ter than during former years at the
corresponding season. He found
that for the most part they were doing
good work. He will continue to go
the rounds of the schools of the county
paying each one a visit of inspec-
tion and taking notice of the work
that is being accomplished.

Hunting Season Nearly Over.

The hunting season is about over
and the demands for hunters' licenses
are not so brisk as heretofore. County
Clerk Cheshire informs that the deer
season is out; that the quail season
will end December 1, and that the
season for duck and geese will con-
tinue a few weeks longer.

The following licenses have re-
cently been issued: Chas. S. Hoxie,
John Ogden, Mark Hall, J. E. Hair,
Harry Lungson, Harry Hoxie, H. C.
Marks, Carl Christopherson, Christian
D. Jacobson, M. L. Sill, S. M. Endi-
cott, T. M. Rowden, Claude Simms,

phine county; Geo. M. Caldwell, and

lin; John Agee, Wilderville; J. W.

Regarding School Tax Levies.

Superintendent Savage has been
busily engaged in sending out the
customary notices to the various
school districts, calling the attention
of the boards to the matter of the
attending to the special school tax
levy, if they may desire to place any.

In reply to numerous inquiries re-
ceived from many sections of the
state, Attorney-General Crawford has
given an opinion in which he gives an
interpretation of the act providing
for the annual school district tax
levy, holding that a district may
hold an election at any time during
the year and vote the tax or the
actions taken at the first election may
be rescinded at subsequent election
and a new rate of levy made, provid-
ing the notice of change is in the
hands of the County Clerk prior to
January 1 in order that the correction
may be made and the levy extended
upon the tax roll. "No time is arbi-
trarily fixed for school district to
hold an election for voting taxes,"
says the Attorney-General in the
opinion which is addressed to District
Attorney G. W. Phelps, of Pendleton.

It can be held at any time providing
it does so in time to notify the County
Clerk prior to January 1. Under the
general rule that the power which
creates can destroy or undo the school
district has the right under the law to
rescind the vote if, in the opinion of
the majority of the voters, it is con-
sidered for the best interests of the
district. After the meeting a certified
copy of the record had with the notice
of the new levy would be sufficient
for the County Clerk to disregard the
first notice and act upon the record,
providing it is done before January 1.

County School News Items.

Owing to the illness of her husband,
who is laid up with an attack of
typhoid fever, Mrs. Ina Swacker,
teacher of the Centennial school,
District No. 28, has closed her school
for a couple of weeks, so that she might
look after his comfort.

The Kerby school is the only one in
Josephine county, outside of the
county seat that has a class in the
Ninth Grade, this year. The work is
being carried on quite successfully
under the tutelage of Miss Cora
Smith, the very efficient teacher.
Selma boasted of doing work of this
kind, but failed to have any pupils
in that grade.

Superintendent Savage's determi-
nation to put a stop to the teachers
missing the annual institute, by
giving all those who remained away
from the last gathering demerit
marks, has stirred up things and
those teachers are now quite sorry
they did not comply with the law
which is very explicit in stating they
must attend such sessions.

The books for the different school
libraries, throughout this county
have arrived and Superintendent
Savage is now checking them up and
the officers of the districts may now send
for them. There are 700 volumes
in all. The sum of 10 cents per child
is assessed in each district. Two dis-
tricts, namely, Waldo, gave \$54 extra
for additional books and Grants Pass
also gave some additional.

Some Miscellaneous Matters.

Cupid seems somewhat put out by
reason of the holidays, but he man-
ages to send in a few orders which are
gladly filled by County Clerk Ches-
hire. The last document of this kind
was to Lamont D. Corbet, aged 33 and
Elsie Stone, aged 21, both residents of
Grants Pass.

Next Wednesday the regular session
of the County Commissioners Court
will be in session. If the holidays
happen to stop before that day, then
the board will proceed to clean up
considerable business which has been
accumulating. Otherwise another post-
ponement will likely occur.

And still the holidays come and go,
with the natural result that compar-
atively little business is being
carried on at the courthouse. The
officers are hoping that it will soon be
legal for them to get to work and
thus earn their salaries, as their con-
sciences are troubling them. T. P.
Judson, who has been at his old home,
in Hillsboro, Illinois, since last July,
arrived in this city, Sunday. He is
troubled with a cancer and has been
under treatment for it. He expects to
remain here, as he thinks Southern
Oregon is the place, after all.

Judge Stephen Jewell will reach
the sixtieth milestone of his earthly
career, next Friday, should Provi-
dence spare him that long. He feels a
great many years younger and does
not propose to let himself get old, ex-
cept in years.

WOMEN'S WOES

**Grants Pass Women are Finding
Relief at Last.**

It does seem that women have more
than a fair share of the aches and
pains that afflict humanity: they
must keep up, must attend to duties
in spite of constantly aching backs,
or headaches, dizzy spells, bearing
down pains; they must stoop over,
when to stoop means torture. They
must walk and bend and work with
racking pains and many aches from
kidney ills. Kidneys cause more
suffering than any other organ of the
body. Keep the kidneys well and
health is easily maintained. Read of
a remedy for kidneys only that helps
and cures the kidneys and is endorsed
by people you know.

Mrs. K. R. Veatch, N. Fifth St.,
Grants Pass, Ore., says: For a long
time I had been troubled from kidney
complaint and rheumatism. Pains in
my back, hips and limbs caused me
much misery and I constantly lost a
great deal of rest at night, arising in
the morning, tired and unrefreshed.
After trying several remedies without
relief, I heard about Doan's Kidney
Pills and procured a box at Clemens'
drug store. At the time I had taken
the contents of this box, my
health was greatly improved. I con-
tinued their use and am glad to say
received complete relief from trouble.
For this I gladly endorse Doan's Kid-
ney Pills as a most efficient remedy
for all diseases of the kidneys."
For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, Sole Agents for the
United States. Remember the name
—Doan's and take no other.

A Significant Prayer

"May the Lord help you make
Bucklen's Arnica Salve known to
all," writes J. G. Jenkins, of Chapel
Hill, N. C. It quickly took the pain
out of a felon for me and cured it in a
wonderfully short time." Best on
earth for sores, burns and wounds.

Litter From Billboards.

One more department of city gov-
ernment has assailed the billboard nu-
isance as constituting a menace to civic
betterment, says the Los Angeles
Times. In several cities to the east-
ward of California street superintend-
ents have complained that the litter
caused by posters peeling off causes
more rubbish to form in the gutters
than any other cause. All this is en-
couraging to those striving to attain a
high standard in civic beauty, for it
really looks as though we may eventu-
ally clear ourselves of the obnoxious
presence of all billboards. So much
pressure is being brought on this class
of advertisers that it is either stop or
suffer financial loss through a decrease
of custom.

Good Cleaning Up Scheme.

Nearly a thousand men, equipped
with small sacks and spiked sticks,
were occupied at a cost to the rate-
payers of about \$300 in removing pa-
per boxes and other articles with which
holiday makers had strewn the Lon-
don parks and open spaces on a bank
holiday. London's plan of cleaning up
its parks after a holiday can well be
adopted on a smaller scale by any
town and at any time.
