GRANTS PASS, OREGON, DECEMBER 6, 1907

WITH THE CHURCHES

FREE METHODIST.

There will be interesting meeting services held at the Free Methodist church commencing Friday, December 6th, District Elder. W. E. Goode will be present to conduct the services. Come and enjoy the meeting. The Lord is reviving his work—praise his worthy name.

E. D. BLACKMAN, Pastor.

PRESBYTERIAN NOTES.

A number of gentlemen who heard the Address last Sunday night on "The First Aid to Unbelievers" called upon Mr. Hughes this week and requested him to speak further on the Subject next Sunday evening by way of applying the principles then enunciated to present-day problems. Though other arrangements had been completed, he very gladly consented, and next Sunday night will speak on "Try Christ's Law of Love on Present-day Problems and see what the Results will be" 11 a. m. Morning worship. Theme: "The marks of the Lord Jesus."

10 a. m. Bible School superintended by H. C. Kinney. 6:30 p. m. Devotional Hour of the Y. P. S. C. E. Leader: Miss Vera Reymers. A hearty welcome to all.

Mrs. James Gillilan and Flanagan had charge of the Junior Endeavor meeting, Sunday afternoon and there was a good attendance and much interest manifested.

Mr. VanDemarten, representing "The Interior," one of the ablest of the several Presbyterian papers, spent a part of this week in this city, in the interest of that organ. His talks at the Sunday School, Junior and Senior Endeavor meetings were decidedly interesting.

Committees are hard at work, making preparations for Christmas. In addition to a big Christmas tree, to be had Christmas night, December 25, there will be a fine Christmas Song Service Sunday evening, December 29. There are many indications that Bethany is going to receive a great spiritual outpouring when the special evangelistic services are conducted by Rev. Dr. Hutchison, the eloquent pulpit orator, who will be here to conduct special revival meetings, beginning with the second week in January. Already the midweek prayer meetings are largely attended and the interest manifest is very gratifying to the Pastor and all who have the best interests of Bethany at heart.

This Friday afternoon, the Ladies' Missionary Society is holding an interesting meeting at the home of Geo. H. Parker.

Tuesday evening the first meeting of the newly organized Young People's Union was held in this church. The first part of the evening was devoted to business and spiritual matters and then came a delightful social hour. The attendance was good and

the interest fine. This new organization bids fair to accomplish much good for the cause of the Master in this city.

NEWMAN METHODIST DOINGS.

Tuesday evening the Official Board of the church held an important meeting, to make plans for the approaching evangelistic meetings, which are to be held in January. More particulars will be announced next week.

Tuesday afternoon the members of the Ladies' Foreign Missionary Society met in the parsonage, when a splendid meeting was held. Mrs. H. L. Gilkey was leader. After the formal business and program, came an enjoyable social session.

Saturday evening Presiding Elder, Rev. R. A. Dunlap, of Klamath Falls, will conduct the regular quarterly conference and Sunday morning will come the communion service.

Sunday morning the church building was taxed to accommodate the big audience which assembled to listen to the third of Rev. Beckman's excellent sermons on "Some Evils of Christianity. He will deliver the next discourse in the series, "The Testimony of Jesus," next Sunday evening.

Already the members of the Epworth League are making plans to render much assistance during the coming series of revival meetings. The Pastor realizes that they can accomplish a vast amount of good and he is greatly pleased over the interest they are taking in this important matter.

CHRISTIAN CHURCH ECHOES.

A full attendance at the Christian Church last Sunday morning; in the evening there was no service as the minister went to Woodville to deliver a temperance address.

The Christmas committees are a work and are planning an interesting program.

The Woman's Missionary society of the Christian church is in a contest with the A-land society. Of course the Grants Pass side will win.

Mrs. J. Stovall's Sunday school class, assisted by Miss Vera Story of the Riverside school will give a very pretty entertainment next Friday evening, December 6th.

The Grants Pass Junior ranks high among the other societies of the state. Last year this society ranked second among societies of the Christian church in Oregon. The society at Eugene was two points better. Miss Mable Smith is president, and Flossie Wells is secretary. Miss Florence Lamar is assistant superintendent and Mrs. W. E. Cowdry, superintendent.

Two years ago our National Sunday School committee thought that we should aim for 10,000 teachers trained graduates by 1909. But the mark was too small. There are now 15,000 enrolled. The class at Grants Pass now numbers 23.

Sunday School 10 a. m. Mrs. Bateman, superintendent. Preaching service 11 a. m. Subject "The

Nobleness of a True Christian." Junior at p. m. Senior Endeavor 6:30 p. m. 7:30 will occur the fifth sermon in a series on "The Man Christ Jesus." These sermons have been dealing very largely with the humanity of Jesus.

AUSTIN J. HOLLINGSWORTH, Minister.

BAPTIST CHURCH.

"Religious Red Tape" will be the topic of the sermon at 10:30 Sunday, December 8. For the evening service at 7:30 the sermon subject will be "The Gospel According to Rear Admiral Philip." The Bible School meets at 11:45. Genevieve Patillo will lead the Young People's meeting at 6:30, topic "Lessons from an old love story."

The Mission Study Class in both attendance and interest is fully measuring up to our hopes expressed some weeks ago. With reluctance they come to the end of the study of China's Uplift next week. To keep the information received, they are going to pass it on in a Sunday evening program, December 15th.

The Bible School is preparing to observe the Birth of Christ with an appropriate Cantata, copies of which are already here. An examination of it assures us that the Christmas exercises will fully measure up.

In harmony with the concerted arrangement for simultaneous meetings in January among the churches of Grants Pass, Rev. H. Wise Jones, Baptist State Evangelist and his singer, Eugene A. Spear, are to be here in this church. He has just closed a meeting at Roseburg pronounced the best held in that city. They are at present in meetings in Salem.

At the meetings of the Missionary society last Friday evening a delightful program on Aliens in America was given. An offering was taken for a Christmas present for Miss Millsbaugh of Portland.

The Ladies Aid are busy preparing for the Chicken Pie supper and sale to be given in the G. A. R. Hall, December 11th. With needle they have arranged to help you out on that Christmas gift and with the spoon, help you to be merry.

The school board of this district met Tuesday evening for the purpose of electing a clerk to fill the vacancy made by Mr. Hathaway. This being the third time in 24 years that there

WILDERVILLE

The sick of the neighborhood are all getting better.

Mr. and Mrs. Risewick and daughter of Jewel Co., Kansas, visited a few days with old chums, Mrs. Halla, Linda Robinson and Elsie Woodard.

Ora Bull is on the sick list and has missed several days of school.

Webb Roberts' team ran away Friday of last week, throwing him from the wagon and breaking his knee cap.

Adda Robinson's school is out and she is at home again.

Rev. Pepper preached at the church December 1st.

The Sunday school is in a pretty fair condition, considering the way Satan is getting in his work.

Thanksgiving day has come and gone. We all have great reason to be thankful. UNCLE FULLER.

has been a change of clerks. Mr. Hathaway having held that office almost continually. Geo. Walter has been elected.

Mr. Austin, formerly of Kansas but who has bought the farm owned by Mr. Hathaway has moved onto the same.

Thanksgiving day was spent in a most pleasing manner at the residence of Geo. D. Walter there being four generations represented. Jonathan Staley aged 91 years, Mrs. H. S. Wynant, aged 50 years, Mrs. Geo. D. Walter, aged 20 years, Clarence E. Walter, aged 17 months, it being C. C. Wynant's 23d birthday, which added to the occasion of a lot of good things to eat. It was also a family reunion as the family were all there, except one son, Howard Wynant, he being in Klamath county. Those present were Jonathan E. Staley, Mr. and Mrs. H. S. Wynant, Mr. and Mrs. Geo. D. Walter and their son, C. E. Walter, F. G. Wynant, Miss Florence Wynant, Mrs. C. C. Wynant, also Mr. Andrew Simpson of Idaho.

Messrs. Wm. Messenger, Bert York and John Schurtz have been cutting wood for H. S. Wynant also they have been working for themselves as also has P. B. M. Burrow and son.

The Murphy Ditch Company have closed the gates for the season.

Miss Nettie Crooks, our teacher spent Thanksgiving with her parents.

And as to "Red Cloud" will say that I thank him very much for looking after me but hope that he will live over the holidays any way.

H. S. Wynant was at the Pass Tuesday as also was J. L. McCole.

The 17 months old baby of Mr. and Mrs. Geo. Walter narrowly escaped being burned to death Monday evening by falling into an open fireplace but luckily the father was there at the time and prevented serious burns.

Yes, Yes, "O where is our Monty?" Gone away, yes I guess that he has lost his girl and perhaps he is looking for another, but I guess he had better build some fence first or he will lose again. SHORTY.
