#### Enjoyable Piano Concert

A fair sized audience assembled at the Opera House, Wednesday night to enjoy the piano recital given by the advanced pupils of Miss Ethel Carolyn Palmer. A quartette of young Misses rendered the first number very creditably. The five young ladies who were the soloists of the occasion were each accompanied by a second piano, making the rendition most artistic and pleasing. Each acquitted herself in fine manuer, showing an understanding and technic as that reflected great credit on Miss Palmer as teacher, and greatly pleased the parents and friends of the young pianists.

A second quartette of the younger pupils was also enthusiastically re- Truax store and is now ready for busiceived, but the climax of the program was reached by the final number, where Miss Palmer delighted all with her int-rpretation of Lizt's Hongarian Rhapsodie No. 2. She was accommodated to the company of the program was reached to the company of t companied by four young ladies at erond and third pianos.

The program was well chosen and arranged, from the best composers. and altogether proved an evening of unalloyed pleasure to the music lovers

ECZEMA SKIN DEEP-NOT IN

THE BLOOD. Skin Diseases Can Be Cured

Only By Treating The Skin.

It is useless to ftry to cure skin disease by pouring vile, poisonous drugs into the stomach—this has been proved by years of studying and experimenting by the world's greatest scientists and specialists in cutaneous diseases.

When it was proved that skin disease was in the skin only and not in the blood, attention, was immediately given to discover a remedy that would care the disease by external application. Years were spent in study and experimenting, but finally Dr. Decatur D. Dennis, a skin specialist, of wide reputation, compounded a remedy consisting of purely vegetable ingredients and as clean and pleasant to use as pure water. This instantly gave relief and quickly cured the worst cases of skin disease. This remarkable remedy is called D. D. D. Prescription and the secret of its success is that it gets at the seat of the trouble, immediately killing the germs that cause the disease, and
