DOINGS AT THE COURT HOUSE

Items of Interest to the Taxpayers of Josephine County From the Various County Officials

Fugitive From Justice Caught.

Sheriff Russell went this week to Ukiah Cal. to bring back Albert Asher who is in jail there charged with having stolen some tools at the Grants Pass Box Factory last spring. It will be remembered that Chas. F. Parker was tried at the last term of court for this theft. In his testimony Parker claimed that his brother-in-law Asher did the stealing. Whereupon Asher fled the county and has just been caught at Ukiah. It was thought that Parker had also skipped out but Deputy Sheriff found him at Woodville and he was brought here and bound over in the sum of \$100 to appear as witness against Asher at the next term of the circuit court. Sheriff Russell had to go to Sacramento and procure the necessary requisition before he could proceed to get his man.

Case of Cunnubial Infellicity.

Another case of unhappy married life has come to light in the circuit court records, wherein Anita Enos seeks to be released from the marital ties which bind her to Ernest Enos, to whom she was married here in Josephine county, September 25, 1906. In her complaint she alleges that he removed to Selma, Fresno county, Cal., where he became a bartender and that she accompanied him thither. All seems to have gone well, until it was known that she was enceinte, when her husband no longer wanted her around. She says that he bought her a railroad ticket and put her on the train and told her to come up and live with her mother, in Josephine county. She further states that at all times he treated her in a cruel and inhuman manner and that now he refused to support her and their infant child, and so she wants a decree of divorce, custody of the son, Paul, and such other relief as the court may deem fit and proper.

Another Real Estate Tangle.

Another real estate tangle is being aired in the courts. This time W. B. Sherman, the well known realty man brings an action against Volney Colvig for the purpose of having the courts pass upon a case of theirs. It seems from what Mr. Sherman says in his complaint, that plaintiff entered into an agreement with defend-

matter of registration and voters from all over Josephine county are crowding into the office of County Clerk Cheshire to have their names enrolled, so they will be entitled to a say in the forthcoming primaries. As the time for awarding the contract for the erection of the big county bridge over Rogue River, here in the city, approaches, interest in the matter increases. The County Commissioner will hold a special session Monday, March 16, when the bids will be gone over and the contract let.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Barlett, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. No dry throat and lungs are sound and well. For sale by M. Clemens.

MAKES LIFE MISERABLE

Troubles That Keep Half the Grants Pass Doctors Busy

Half of the prescriptions the Grants Pass doctors write are for troubles that result directly from a weakened stomach. Strengthen the stomach muscles, increase the secretions of gastric juices, and you will find that common affliction—indigestion, with its head aches, dizziness, depression of spirits, spots before the eyes, nervousness, sleeplessness and general debility—have been overcome.

From now on build up the strength and health of the stomach with Mio-na tablets. You will soon find yourself strong and never know the meaning of indigestion.

If Mio-na did not have an unusually curative effect in stomach disorders, it could not be sold on the guarantee given by Demaray to refund the money unless it does all that is claimed for it. He gives an absolute, unqualified guarantee with every 50 cent box of Mio-na that the money will be refunded unless the medicine cures. He takes the whole risk, and you certainly can afford to get Mio-na from them on this plan. 3-28 2t
