The Story of a Medicine.

Its name—"Golden Medical Discovery" was suggested by one of its most important and valuable ingredients—Golden Seal root. Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its make-up.

GRANTS PASS POISON FACTORIES

You Will be Surprised to Learn How Many There Are.

Did you ever feel stupid and dull after eating a hearty dinner?

When food is retained too long in the stomach, because of stomach weakness, the poison factory works overtime and there is dizziness, confusion of thought, drowsiness, nervous heartburn, sleeplessness, nervous tremors and other forms of indigestion.

The general use of Mi-o-na stomach tablets puts within the reach of everyone a reliable and positive cure for all stomach weakness.

Mi-o-na acts upon entirely different principles from any of the other remedies that have been used in stomach trouble.
