## Sunny Monday

### LAUNDRY SOAP

I know that every housewife in the land will be interested when we say Sunny Monday Laundry Soap will double the life of her clothes.

The reason is that it is all Soap, without rosin or excess moisture and contains remarkable dirt starting qualities which begin their magic work as soon as the lather touches the clothes.

Sunny Monday Laundry Soap can be used in any kind

of water—hot, cold, hard or soft; is kind to the hands and will not shrink woollens and flannels or injure the most delicate fabrics. Sunny Monday Laundry Soap contains no rosin or adulterant that rots or ruins clothes. One bar equals two of any other make.

## FAIRY SOAP

MANY people pay as high as 25c a cake for toilet soap, thinking they are securing a purer soap, when in reality they are paying for costly perfumes and fancy coloring matter which make the soap less pure and oft times are used to disguise cheap, and impure greases. Fairy Soap is white, and stays white, because it is absolutely pure. It is made from edible products, and contains no coloring matter or adulterant of any kind, yet

### FAIRY SOAP COSTS BUT 5c

Why pay more, since there is no better Soap at any price? Why pay even the same price for any other Soap, and take the risk of exposing your skin to inferior soaps?

### W. C. T. U. NOTES

The W. C. T. U. held its regular session last Friday at the home of Mrs. Chiles. Mrs. Courtney, superintendent of Purity, conducted the program. Mrs. J. B. Brown of Los Angeles favored the union with several solos, sung with a sweetness and pathos which appealed to the heart. Mrs. Graham's talk on "Purity in the schools" was a forceful and convincing argument in favor of a closer relationship between parents and teachers. Mrs. Courtney held that impurity is more easily prevented than cured, so she urged the hearty cooperation of parents and teachers. Let parents, so far as possible, fortify their children's minds against the advent of impure thoughts. Mothers' clubs, whose object is to meet with teachers, at least once a month and discuss ways and means to promote purity among our children in the public schools, were recommended and all agreed that such a movement might accomplish much along these lines. It was suggested that parents invite teachers to their homes as a means of mutual help to each. A social hour followed. Cake and cocoa were served by the hostess and the meeting adjourned to meet with Mrs. Weidman, April 10. The program

will be in the care of Mrs. Chiles and Mrs. Curtis, superintendents of Legislature."

Mrs. Wallace Unruh, National organizer and lecturer for the W. C. T. U., will speak at the Christian church, April 8, at 7:30 p. m. She is a forceful and interesting speaker and comes with the best of recommendations. Let all hear her.

She speaks also at Murphy, April 9, at 7:30 p. m. Remember the dates. Last Sunday was Temperance Sunday in all the Sunday schools of the land. This subject is discussed and studied by the members of the various schools and all may know the evils arising from intemperance and in a measure, be on their guard against this foe. How many know that this custom of having one Sunday in each quarter given to this important subject is due wholly to the Women's Christian Temperance Union?

#### A CALL TO PRAYER.

Believing in the power of prayer, we urge that all White Ribboners "pray without ceasing" that the forces of evil be vanquished and right prevail in the coming campaign for righteousness.

"Quite a number of years ago the supreme court of the United States in a decision by Justice Field, held that no man has the right to sell any commodity that is a menace to the health

and morals of a community; that a liquor seller, therefore, can put his wares on sale only by sufferance of the community through a license issued to himself for that purpose; and that this license may be withheld if the people prefer to do so. Now comes a decision by an Indiana judge, who goes a step further and holds that since the sale of intoxicating drinks is detrimental to the health and morals of the people, no legislative body, no judge, no excise board has the right to license it. In other words the health and morals of a people cannot be disposed of for a money consideration, called a license tax. This is progress, in recognizing the moral and physical evils that come from liquor drinking and liquor selling."

#### PRESS CORRESPONDENT.

Good Cough Medicine for Children The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. Sold by M. Clemens.

#### IT SAVED MY LIFE—WRITES ECZEMA PATIENT

Bed-ridden Sufferer Completely Cured by Use of D. D. D. External Wash.

One of the most remarkable Eczema cures recently credited to the well known D. D. D. Prescription has just been recorded in Chicago.

Mrs. E. Hegg, 1550 West Madison street, under date of Dec. 9, 1907, writes as follows:

"I suffered three years with Weeping Eczema. It started with a little spot on my knees and spread fast over my whole body. I spent hundreds of dollars and went to every good doctor I heard of, but kept getting worse. Nothing would stop the awful itch and burning.

"I had to stay in bed from the middle of May to the middle of July. Then I tried D. D. D. Prescription. This is the 9th of December and I am entirely free from the terrible disease. D. D. D. saved my life.

When I began this treatment, people were afraid of me I looked so terrible. My husband was the only one who would take care of me. D. D. D. stopped the itch at once so I could sleep, which I had not done before. Then I began to get better fast and

now my skin is clear and white, not a spot anywhere."

Just a few drops of D. D. D. Prescription applied to the skin brings relief—nothing to swallow or drink. We vouch for D. D. D. Prescription, also the cleansing D. D. D. Soap. Clemens sells drugs. Get a bottle today if you have any skin disease. Begin your cure at once. 4-3 36

The Crater Lake Lumber Company, successors to the Iowa Lumber & Box Company, has purchased 1040 acres of timber land on Butte Creek from Hutchison & Lundgren, paying \$36,000 cash for the same. The timber is principally sugar pine.

Wm. Roan, who with W. H. Parkey, recently purchased 146 acres of land in New Hope district, from C. C. Wynant, is busy with six men cultivating the land now cleared and is clearing more. There are 100 acres covered by ditch but only about 25 acres cleared. There will be a great change in the land by the end of the season. Mr. Roan, wife and two children, recently came here from Ellensburg, Wash.

Hans Christensen, for a number of years in the tailoring business with J. A. Larsen, has sold his home on Pine and Bridge streets, to O. J. Knips, and he and family left Saturday night for Wisconsin, their former home, where they will hereafter reside.
