If elected to this important position I
shall give my entire attention to the duties
of the office and I shall enforce the laws to
the fullest extent with special favors or im-
munity to no interests, and I would not
make unnecessary expense to the taxpay-
ers nor allow work that properly should be
done by the Sheriff to be done by the con-
stables to make an added expense on the
county. I frankly state that I should en-
force the law as required of a sheriff, and if
the county votes the saloons out at the
June Election that I would suppress "blind
pigs" and all other illegal traffic in liquor,
and if the saloons are to be retained I will
attend to it that they obey the law and not
keep open Sundays nor allow gambling and
other forms of vice on their premises.
