

A Dressmaker of Yarmouth.

In the churchyard of Caister, close to Yarmouth, is the grave of the "quiet, little, gentle voiced dressmaker," of whom at her death in October, 1843, the then bishop of Norwich said, "I would canonize Sarah Martin if I could." Yarmouth reveres her to this day. A stained glass window has been placed to her memory in the parish church, where her prayer book is still preserved, while her journal is one of the treasures of the public library in the tollhouse. Underneath this building was the miserable dungeon which served as the borough prison, and it was to the amelioration of the lot of the wretched prisoners that Sarah Martin devoted her life. Earning a bare subsistence of fifteen pence a day by toiling from early morning till far into the night, she yet managed to give up one day in the week to her labor of love. She died in poverty, but the result of her life's work was the reform of the prison system of Yarmouth.—London Chronicle.

Burned It Into Memory.

One of the most characteristically eccentric things ever done by Gelett Burgess (and one of the few true stories of him) was to spend three or four days in constructing of cardboard, mica and green velvet a little model of an old New England house, complete as to windows, curtains, lawn, garden, trees and even including a hammock with a tiny hat and summer novel and washing stretched out on a clothesline on the back stoop. This was for a dinner given to several literary friends in New York, and when the coffee was served he deliberately set fire to the whole affair. His explanation was that had it been spared his guests might have forgotten the affair, but they would always remember the destruction of the house. No one who ever saw the little house go up in smoke or its little hill of damp moss will ever forget it.

IT SAVED MY LIFE—WRITES ECZEMA PATIENT

Bed-ridden Sufferer Completely Cured by Use of D. D. D.

External Wash.

One of the most remarkable Eczema cures recently credited to the well known D. D. D. Prescription has just been recorded in Chicago.

Mrs. E. Hegg, 1550 West Madison street, under date of Dec. 9, 1907, writes as follows:

"I suffered three years with Weeping Eczema. It started with a little spot on my knees and spread fast over my whole body. I spent hundreds of dollars and went to every good doctor I heard of, but kept getting worse. Nothing would stop the awful itch and burning.

"I had to stay in bed from the middle of May to the middle of July. Then I tried D. D. D. Prescription. This is the 9th of December and I am entirely free from the terrible disease. D. D. D. saved my life.

When I began this treatment, people were afraid of me I looked so terrible. My husband was the only one who would take care of me. D. D. D. stopped the itch at once so I could sleep, which I had not done before. Then I began to get better fast and now my skin is clear and white, not a spot anywhere."

Just a few drops of D. D. D. Prescription applied to the skin brings relief—nothing to swallow or drink. We vouch for D. D. D. Prescription, also the cleansing D. D. D. Soap. Clemens sells drugs. Get a bottle today if you have any skin disease. Begin your cure at once. 4-3 3t

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by M. Clemens.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach is utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.
