FISHERMEN SUPPORT THE WEBSTER BILL

G. D. Farley, ex mayor of The Dalles, representing the Warren Packing Co. of Portland, arrived here Monday and spent Tuesday morning in conference with Deputy Fish Warden Wilson of Oregon City, who was paying this section an official visit.

The essential purpose of Mr. Farley's visit was to enlist the cooperation and support of the members of the local union in behalf of the Webster bill, which seeks to protect the fishing interests of the lower country by eliminating Sunday fishing.

fish wheels so the small fish may escape. Mr. Farley says that the Webster bill does not create a tax, nor does it seek to put the smaller fishermen out of business.

The Warren Packing Co. pays a tax toward the maintenance of the state fisheries of nearly \$5000 annually while Senfert Bros. at The Dalles pay \$4000 and the McGowan Bros. pay about \$3500.

A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherry bark in promoting digestion and building up the system.

Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago, says of glycerine: "In dyspepsia it serves an excellent purpose."
