

THE REGULAR MEETING OF THE W. R. C.

Gen. Logan Woman's Relief Corps No. 25 met in their hall on Front street Saturday afternoon, June 27. President Mrs. Goodnow in the chair.

At the close of the business hour of each meeting it has become an established custom to have a short literary program and serve refreshments and both program and refreshments were exceptionally fine Saturday afternoon. In reviewing the work done by the corps in the past six months, both officers and members may be justly proud of what has been accomplished.

There has always been a large attendance, each feeling it both a duty and pleasure to be present if possible. There are nearly 70 members in good standing, loyal faithful progressive women, ever ready and willing to aid and promote the beloved cause for which they are banded together in assisting the men who wore the blue from '61 to '65.

It is with pleasure we record the increased pension of \$24 for John Patrick, a comrade of this Post, and a \$12 pension for Mrs. Roxana Green, the first pension granted in Grants Pass under the new law, relative to the "Widows Pension." Mrs. Green is one of the charter members of this

corps and has ever been one of its most earnest workers. It is to be regretted that the Post and Corps of Grants Pass should not have been more largely represented at the reunion held at Newport last week. However, as quality and not quantity was considered, the very best delegates as representatives went—Mr. and Mrs. A. Morris, Mr. Morris reports the encampment a complete success in every respect.

Officers for the department of Oregon, G. A. R. are Department Commander, J. T. Apperson, Oregon City; S. C. Commander, M. Wadsworth, Toledo; J. V. Commander, J. G. Carr, Portland; Grand Chaplain, Rev. Harry A. Boarden, Portland; Medical Director J. E. Hall, Portland.

Department officers Woman's Relief Corps are: President Mrs. Jennie Higgins, Eugene; Senior vice, Mrs. Ella Stewart, Toledo; Junior vice, Mrs. Addie Morgan; Treasurer, Mrs. Minnie Hall, Eugene; Chaplain, Mrs. Mary Kayse, St. John; Delegate at large, Mrs. Mickle, Portland. Corvallis has been chosen for the next place of meeting for the G. A. R. encampment. The Corvallis citizens were so pleased over the convention's choice that a reception was given the retiring delegates from Newport.

RICH GOLD FIND IN JOSEPHINE COUNTY

Telluride gold ore of rich value has been discovered in the southwest part of Josephine county, Ore., and a company composed of Seattle and Oregon mining men has been formed to develop the property. Smelter tests show values of \$800 to \$2000 per ton, and some of the ore assays up into the thousands of dollars per ton.

This property is located in the rich ore zone from which many millions of dollars have already been taken. Samples of valuable ore are on exhibition at the office of the Telluride Gold Mining Company. The general manager of this company has just come to the city, bringing this report of work in progress and with options on other valuable properties in this neighborhood which he wishes the company to take up.

It is predicted by expert mining men that this mining district will develop into another Cripple Creek or Goldfield, as the ore is of the same character found in those camps. —Seattle Post-Intelligencer.

OREGON NATIONAL FORESTS HAVE BEEN REDISTRICTED

Washington, June 30.—The second step in the comprehensive plan of redistricting the National Forests in the Western states has just been made by the president in signing executive orders which will change the names and boundaries of the Forests in Oregon. The only other state in which these plans have been completed is Idaho, but it is expected that the work of redistricting in all the National Forest states will be finished and the changes announced in the next few days.

The Crater National Forest will contain 1,106,802 acres and will consist of the southern portion of the old "Cascade (S)," the "Ashland" and a portion of the "Klamath" and "Siskiyou" Forests. It is located in Jackson, Klamath, and Curry Counties, Oregon, and Shasta county, California. Acting Supervisor C. A. Buck will administer this Forest with headquarters at Medford, Oregon.

The Siskiyou will now consist of the greater part of the old "Siskiyou," all of the "Coquille" and part of the "Klamath," and will contain 1,305,667 acres. It is located in Jackson, Josephine, Curry and Coos counties. This Forest will be administered by Supervisor M. J. Anderson, with headquarters at Grants Pass, Oregon.

Cougar Killed Near Placer.

A letter from Nellie M. Pease of Placer to her father and mother, Dr. H. G. Pease and Mrs. Pease, received Tuesday morning states, that a Mr. Sherman, who had camped out near Merlin Sunday night, killed a cougar at an early hour Monday morning. The animal had climbed into a tree near where Mr. Sherman lay and as he hopped to the ground, Mr. Sherman bagged him the first shot. Before sending the cougar to Tacoma for mounting, Geo. Pease, at Merlin took some photographs of the beast, which are now being developed at Mr. Lewis' studio here. As the Cougar had started for Mr. Sherman, he had to make good or it would have been "all up" with him. The bullet took effect in his neck.

Bear in Jackson County.

J. T. Harrigan, a hardware dealer of Coos Bay, who has been visiting with Mr. Grieve of Medford, over in Jackson county, last Monday killed a large 2-year old bear. Mr. Harrigan had gone with Mr. Grieve near the hamlet of Prospect to cruise some timber when he suddenly came upon bruin. After taking a few shots the bear refused to down, and Mr. Harrigan started to make his escape from the approaching animal which he had wounded, but when at close range he turned and delivered the fatal shot. This is the fourth bear killed in that vicinity this spring.

W. C. T. U. NOTES

"Are the saloons going to be closed" was the question asked a few days ago and we answered "Yes, indeed. They have been legally voted out and we have loyal men enough to see that the saloon no longer carries on its business."

The majority rule holds good, in the minds of the liquor men only so long as the majority stands for their interests, when it favors law and order, it is unconstitutional. They believe in preserving the constitution and all it stands for because they are for liberty, home and native land, providing they are left undisturbed in dealing out the poison to wreck homes and corrupt the very best of our American manhood. Did you see the boy taken home last night, raving and cursing, filled with the liquor that must be sold to improve cities? We thought of his mother and our hearts ached as we thought how the boys of our city are being killed. Let the men and the women work as never before to suppress this curse. Give our boys a chance to become the men they may be under God.
