**JOSEPHINE COUNTY GRANGE DEPARTMENT**

Organization having proved such an advantage to the residents of the towns and cities, where every trade and every vocation has its association or union, the farmers are now awakening to the value of organized effort to better their condition and to aid in the bringing about improved methods of farm work and the increasing of the productive capacity of their farms. This progressiveness of the farmer is giving a splendid growth to the Grange and this strictly farmers organization now has over a million members in the United States and about 8000 in Oregon.

In Josephine county there are now five Granges and there is every certainty that four and possibly six more will be organized in the near future. Following the successful celebration that was held under the auspices of the five Josephine county Granges on the Fourth of July at Wilderville, Mr. J. J. Johnson, lecturer of the Oregon State Grange, and who was one of the speakers at the celebration, has been making a tour of Josephine and Jackson counties making official visits to the Granges in these counties and in working up an interest for the organization of new Granges. For the 10 days prior to Wednesday when he left for his home in Portland Mr. Johnson led a strenuous life, for each day of last week he met a Grange and on Monday and Tuesday of this week. His itinerary for last week embraced a meeting Monday with Deer Creek Grange, Tuesday with Illinois Valley Grange, Wednesday with Wilderville Grange, Thursday with Fruitdale Grange, Friday with Dimick Grange, and Saturday with Central Point

**Why the Republican Party Should be Successful This Fall**

The thinking and sane citizen who takes pride in the welfare and advancement of his country, who is intensely interested in its social, financial and political achievements irrespective of political affiliations needs no argument to convince him as to his political duties; as an American citizen he rises equal to his responsibility.

During this fall's campaign, theories will be advanced and hotly argued to convince the voter how he should cast his ballot in our national election.

To the average citizen, past political facts, past political records must, and should outweigh and govern him in the exercise of his ballot.

The people cannot forget the mechanic and workman; will not forget Coxy armies. The stockman will not forget the price of cattle, sheep and wool. The farmer will not forget the price of his products, all sufferers from unwise democratic policies, unwise democratic legislation, under unwise democratic administrations.

With the exception of two intervals of four years each, for nearly fifty years, the republican party has been in power and shaped and guided the destinies of our country and today, it stands among the foremost nations of the world.

The magnificent achievements of the republican party, accomplished by the wisdom of its leaders in the legislative, administrative and executive branches of our government have established a faith, a confidence in the nation, that stimulates our country on to progress.

People look to the republican party and republican principals with a feeling of safety and confidence in the party's wisdom. The business interests of our nation feel that the stability of the financial policy of our party is sound, and look upon it as a guarantee of continued prosperity.

With this feeling of confidence established, capital reaches out and seeks investment, manufacturers seek business, merchants and tradesmen are active in the commercial industries, the stimulating effect of confidence reaches one and all, extending into all walks and avenues of our nation's life, every strata of social conditions, every artery of trade and commerce feels the healthful, strong and quickening influences of prosperity. This established republican confidence must and should be continued by the voters of our country. It can only be continued by the election and continuing in power of the republican party, who has for its standard bearer Wm. H. Taft.

Unrest is caused by uncertainty disturbing business conditions. In consequence financial interests become timid doubt has hold of the minds of the people.

The mere possibility of the election of a democratic president supported by a democratic congress, creates distrust. Capital becomes timid and seeks a place of safety, industrial life grows stagnant, labor a drug on the

market, mines close, factories are idle, the farmer seeks in vain for a market for his products; there is no work, there is no work. Hard times are here, the nation and people are suffering.

Bryanism, supported by a democratic congress would stop the progressive advancement of our nation, his election would be fatal to the progressive advancement of our nation, his election would be fatal to the artisan and the mechanic, the laborer and the farmer, disastrous to the professional and business man, from its far reaching and ruinous effects the wealthy only, would be immune.

Past political records and established political history, show no other consequences could follow such a disaster as democratic success this fall.

Our national development and our present progress can only be continued uninterruptedly by confidence in our national administration. The success of the republican party next November means established and renewed confidence, means success and further development and higher achievements as a nation.

For these reasons, the majority of the thinking voters, actuated by a desire to promote the welfare of the country, will cast their ballots for the republican candidate for president, realizing full well the importance of their responsibility.

 Chairman Republican City Central Com.

 Are You Sure Your Kidneys are Well?

"Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't daily with 'uric acid solvents.' You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills, not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended. Here is Grants Pass testimony to prove it:

Mrs. A. Lempe, F Street, Grants Pass, Ore., says: "For some time I suffered severely from rheumatic pains and at times was so stiff and lame that I could scarcely get around. At night my rest was greatly broken on account of these pains and as a conse-

quence, I would arise in the morning feeling so stiff and lame that it was a hard thing for me to perform my household duties. I tried many remedies and liniments without receiving the slightest relief. Hearing about Doan's Kidney Pills being highly recommended for such troubles, I started taking them, procuring a box at Clemens' drug store. I was helped from the beginning and before I knew it, I was almost free from the trouble. Occasionally have a slight pain in my back, but a few doses of Doan's Kidney Pills never fail to relieve me. I have told others how much good I have received from Doan's Kidney Pills and would not be without them in the house." For sale by all dealers. Price 50 cent. Foster-Milburn Co., Buffalo, New York, Sole agents for the United States. Remember the name—Doans—and take no other.

A. Bridgeman, who has had charge of the Russel confectionery store, left Thursday for Mexico, where he will be engaged at the Sierra Mohada lead and silver mines. This mine is owned by the Blue Ledge people, by whom Mr. Bridgeman was employed as chief bookkeeper while the Blue Ledge was in operation.

Elmer Shank the real estate man, recovered judgment last Monday for \$70 in Justice Holman's court against Frank Moweschat, the same being his commission for having sold a farm for the latter by Mr. Shank. The case was tried by a jury who were not out over 10 minutes before bringing in a verdict for the plaintiff.

**A Woman's Back**  
 Has many aches and pains caused by weaknesses and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary specks or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness. If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It is the most potent invigorating tonic and strengthening nerve known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or known composition, even though the dealer may make a little more profit thereby. Your interest in regaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for.

Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.

"Efficiency" as applied to an automobile, means that ability in a car which enables it to go and come when and where you want it. It means speed, economy, endurance, hill climbing, and roadability—those things the "Tourist" won in a string of forty-two brilliant victories out of forty-five entries. Buy the car that has proved its worth by winning all manner of tests in competition with all types of cars. These contests prove conclusively the superiority of the "Tourist," the "Pacific Coast Car" over all others.

They prove positively that no car other than one built here with the sole idea of meeting Coast road and climatic conditions could have made the wonderful "Tourist" record.

There are several models of Tourist Cars to meet the various models of pocketbooks. There are several styles of 2-cylinder and 4-cylinder cars from which to choose. Better buy a Tourist than wish you had.
