A GREAT EVANGELISTIC TEAM COMING SOON

This Evangelistic team of three is composed of Evangelist R. F. Whiston and wife and C. W. Longman. Whiston is an eastern man. For years he was pastor of a church in Boston. He has held very successful meetings in the East, Middle West and the North. Some months ago he held a meeting of several hundred additions in St. Johns, Canada. He has held a number of meetings with 100 to 200 converts. He is one of the younger and coming evangelists in the Christian church. Mr. Whiston is a cultured and educated gentleman. A graduate of two of the largest eastern universities. This education coupled with his travel and knowledge of the world make him a well equipped man for his work. Mr. Whiston is a fluent speaker. He speaks rapidly and with much enthusiasm. An audience never sleeps while Whiston preaches. He has a pleasing personality. Mr. Whiston is not a sensationalist. He doesn't believe in that method of evangelism, but he does believe in saying that sin is sin and that sinful men must repent. He has no respect for lax and indifferent church members. The people of Grants Pass will not be disappointed in Mr. Whiston.

Mrs. Whiston is a splendid musician. An earnest personal worker and an accomplished singer. She and Mr. Longman sing some beautiful doets.

Clay W. Longman is the singer. He has a rare tenor voice. He is a graduate of Lincoln University of Lincoln, Neb. He has been prominent in university musical circles for several years. He has had the leading part in several university musicals. He is not new in the work of evangelism. He is a winner with young people. His solos reach the heart. In selecting Mr. Longman as his musical director and soloist Mr. Whiston has shown his good judgment. Mr. Whiston waited two years to secure Mr. Longman while Mr. Longman was finishing his university course.

The three make a great Evangelistic team. They turned down 21 calls from prominent churches in the middle west to come to Oregon. The Christian churches at Ashland, Grants Pass and Medford have them for meetings this fall. They will be in Grants Pass in October, beginning probably October 6th. Expect great things from these great leaders.

You Can't Cure Constipation by taking purgatives, salts, or other drugs that act harshly or violently upon the stomach or bowels.

Ask any doctor, and he will tell you that purgatives of any character distend the bowels and weaken the elastic tissue. To cure constipation, remove the cause. The cause of constipation is indigestion. If your food digested properly it would continue on from the stomach through the bowels, and would be eliminated without effort and with regularity.

Mica tablets cure constipation by caring your indigestion. It is not a purgative. It is a stomach tonic and more—it tones up, strengthens, invigorates, refreshes and injects new life into the worn out muscles of the stomach, and in a short time make the stomach hardy enough to digest anything you eat. It is a powerful, yet harmless stomach tonic, and its resistless influence on the stomach is astonishing.

Try Mica tablets for constipation. One box will cure you of indigestion; two boxes will relieve you of constipation; and best of all, Mica tablets are such an economical remedy. A large box only costs 50 cents, and then, if you are not satisfied with results, Demaray, the druggist will give you your money back.

Mica cures all stomach disorders whether acute or chronic, such as dyspepsia, vomiting, over-indulgence of the night before, sea or car sickness, stomach sickness of prospective mothers, etc. Read this from the president of a New York corporation: "I have been a terrible sufferer from dyspepsia and gastritis for two years. The most eminent physicians prescribed for me with no effect. I have been absolutely cured by your Mica tablets. The first one gave me a relief almost incredible. Very gratefully yours, Herbert H. Taylor, 601 West 143d Street, New York City." 9-25 and 10-9 13

WELCOME HOME TO MINISTER AND BRIDE

Last Friday evening one of the pleasantest events of the season took place at the Baptist church when Mrs. Frederick C. Lovett was formally introduced to the many friends that her husband has made in Grants Pass. Mr. and Mrs. Lovett stood in a bower of flowers and under a very pretty marriage bell of roses and were introduced by Mrs. Patillo and Mrs. Conklin. Over a 100 guests were present and the evening was one which will long be remembered for its social amenities.

After listening to an organ solo all adjourned to the main body of the church and Mr. Conklin asked Rev. Robert McLean to lead in prayer, followed by scripture reading by Rev. Cleaves. Mr. Sharp gave Mrs. Lovett a hearty welcome on behalf of the bachelors to which that good lady aptly replied. Rev. Alexander Maclean spoke for the married men and was answered by Rev. Lovett. A vocal solo "Plains of Peace" was pleasingly rendered by Mrs. Nina Paddock, and this part of the program ended with singing "Blest Be the Tie That Binds," in which all joined. Another social hour was indulged in while the ladies served punch and wafers.

The members of the church presented the pastor and his bride with a handsome set of China.

W. C. T. U. NOTES

Loyal temperance Legion Harvest Home and Crusader Monthly Day October 2d, at the M. W. A. Hall on Front Street. An interesting program and social hour will be the principal features. Subscriptions to the Crusader Monthly will be gladly received. Every friend of temperance is cordially invited. May we not make this one of the best meetings of the year?

The regular session of the W. C. T. U. met last Friday with Mrs. Weidman. Several items of business were transacted and future work discussed and outlined.

All Unions having banners pertaining to the W. C. T. U. work will bring them to the State Convention to help with the decorations.

We sympathize with our White Ribbon sisters of Roseburg in their attempt to place their drinking fountain. The Roseburg council might well take lessons from our Grants Pass council and "live and let live."

We are glad to note that some of the towns have passed ordinances against the sale of "near beer." This is as it should be, for why, in a dry town, should anything, by whatever name it is called, be allowed when the effects are so nearly the same it would take a specialist to tell whether intoxication was brought about by anything less than the genuine article? We are hoping and praying for the day when the whole list of intoxicants down to "near beer" and its kindred drinks, will be banished forever from our city, state and nation and even the whole world. In God's own good time, it's coming—the morn for which we pray!

State convention, 1908—Portland, October 6-9.

NOTICE!

Supreme court decision: "There is no inherent right in a citizen of these United States to sell intoxicating liquors by retail."

In a lottery case: Stone vs. Mississippi, the court said: "No legislature can bargain away the public health or public morals."

The saloon or American liberty— which? Drugs, wines and beer never cure disease. Most patent medicines are dangerous and a fraud. Peruna, 25 per cent alcohol; Hosteller's Bitters, 44 1/2 per cent alcohol; Beer, 5 to 10 per cent alcohol.—Collier's.

LIFE INSURANCE!

Non-beer drinker at 40 considered a good risk. A beer drinker at 40, can get no insurance.

EDUCATIONAL METHODS MAY BE IMPROVED

A number of County School Superintendents met in Salem on the 10th and 11th inst. to attend a state convention of County School Superintendents. Many important matters relating to the management of school affairs and to school legislation were considered. There is a likelihood that a committee to confer with committees from the State Teachers' Association and the State Grange will be appointed to draft bills to be presented at the next session of the State Legislature in regard to changing the unit of administration of school affairs from the district to the county.

Under this plan it is proposed to have a county board of education, in which will be vested practically all the powers of the various boards of School Directors of the respective districts. The various schools of the county will be conducted on about the same basis as the schools of a city. It is proposed to unite several schools, forming districts over which there shall be a supervising principal. The principal will visit each of the schools under his supervision once a day or twice a week, as he finds convenient. The entire county will have over it a general supervisor, who shall conduct the work of the principals. In connection with this proposed change in the administration the superintendent will discuss the best method of apportioning school funds, the desirability of increasing the state school funds and other matters relating to the maintenance of schools, and especially in the rural and less populated districts. It is expected that a bill will be recommended increasing the school term in the rural district to at least five months.

Lack of trained teachers in this state is one of the problems with which the school officials are confronted. It will be the endeavor of the principals to evolve some plan whereby trained teachers from eastern states may be admitted to the schools of this state on presentation of a life diploma from some recognized training school of equal standing with the normal schools of this state. In what manner a superintendent should be a factor in selecting teachers is another subject which will be given attention as well as the operation of the compulsory law.

ILLINOIS VALLEY GRANGE.

A most enjoyable picnic was held by the Illinois Valley Grange Saturday, Sept. 12. A delicious lunch was served at noon by the ladies. The table in the grove was tastefully decorated by the committee on decoration—Miss Maggie Spence, Ira Hyatt and Carl Spence.

In the afternoon a program was rendered which was remarkable for quality. After a song by the Grange a most able address was made by W. J. Wimer who is an enthusiastic supporter of the Grange. Several recitations and songs followed which were thoroughly enjoyed by all. There was not an uninteresting number on the program and we most praise in particular, the song by John Smith and the recitation by Mrs. John Smith. Our next meeting is October 10th, at 2 o'clock in the creamery hall. All members are requested to attend. Remember, October 10th, at 2 o'clock.

Bad Attack of Dysentery Cured.
"An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wadsworth, Vt. For sale by M. Clemens.
