NO TIME TO EXPERIMENT.

dential election fraught with more absurdity in history."-Pathfinder. mportant issues than the present camraign. Our government stands before the world as the greatest exhibition of the desire for the greatest good to the amen: gr stest number, and it must be genvember 3d.

ning to precipitate a panic he could exploit a great navy. i-bind it but as its manager.

· hich have built up this great nation of it is becoming tiresome. will be continued and the progress | Col. Sidney Tapp of Georgia has e ecutive ability, and was not found "also ran" class. wanting. With his election on Tuesy next confidence will be restored e t nation on earth will be resumed. A vote for William H. Taft is a vote a receiver has been appointed, f - greater prosperity for Oregon and f r the entire country.

#### WANT TO BE LET ALONE.

President "Jim" Hill of the Great Northern railroad, who is an ardent denocrat and at the same time one of dertakings at home or abroad. Would t mest persistent 'prosperity' omers in the country, is now out 1 - a manifesto pointing out how the ... Iroads have been abused and giving ti in. He is time quoted;

a would built in the country in the at 6:00 D. H. Stovall, president, at five years, even to get almost of r crent business, and miles commerce ; wat will have to be done. If will 10:30 and "Successful Sunt" is the The young nan was been in Grania

year. About 55 per cent of this, mind you, will be for labor, and the balance for material which is almost entirely labor. Almost every dollar of it will go into circulation, back to the workingman, the farmer, the manu facturer, the merchant. "It is a soothing picture, isn't it?

But to do it the railroads must be allowed to run their business as any KAYS-To Mr. and Mrs. Chas. W. other business is run. They are the second biggest interest in the country.

They purchase 25 per cent of every thing that is purchased. They employ one way or another a very large proportion of the working male population; then tell me why every man in the country, whether he be merchant, farmer, manufacturer or workman, cannot see that all prosperity, from the ground up, is knit insoluably with the prosperity and proper maintenance and upbuilding of the railroads? Why the drop of the hat? American railroads serve the people better and cheaper than any other in the world, nevertheless they have been pilloried as criminals, and the American people, whose mainstay they are, have stood Perhaps there was never a presi- by and applauded. It is the greatest

#### THE HOBSON MANIA.

The Portland Journal, which is all those things which make for the vigorously supporting Bryan for the people the best government on earth. presidency, does not altogether agree Te world respects our nation not be with Hobson, who is also working for conse of its wealth, not because of Bryan's election, or at least did not its millions of inhabitants, but for the before the campaign opened. From reson that its affairs are conducted their issue of July 10th, we quote the long the broad lines which testify to following to all of which we say

"Representative Hobson is no doubt rally recognized that it is the republica sincere patriot, but he has gone can party which made the United fairly daft over the proposition that tates a world power. We can not af- we will and must and shall have a ford therefore to permit any experi- great war soon with Japan, and that ment such as is advocated by William | moless we increase our navy very Jennings Bryan and consequently he greatly and rapidly we will be most must be defeated at the polls on No. thoroughly and ignominiously whipped. Mr. Hobson's point of view is The people of Oregon are parti. that of a naval officer, which he was cularly interested in the election, for for years and the importance of which this growing state has nothing to gain position he magnifies. Of course and all to lose in case Bryan should be there must be war to justify the existelected. It is of the utmost impor- ence of a great navy and a great many timee that the industrial growth of naval officers. Unless a war can be the country keep on but Bryan's scared up oace in awhile, their occuelection would effectually put a stop pation would dwindle in importance to it. His free silver, anti-imper- and interest.
