FRUITDALE Rev. J. A. Ellison of the Methodist Episcopal Church, south, preached out here last Sunday afternoon. His subject was "Character Building." Rev. Ellison was entertained at the home of F. A. Clements. Mrs. J. A. Ellison, Mrs. Presley, Mrs. Hathaway, Mr. and Mrs. H. C. Bateham and family, Mr. and Mrs. M. E. Sturtevant and several others from Grants Pass, attended services out here last Sunday afternoon. E. E. Blanchard has purchased S. A. Riety's farm over in south Fruitdale and Mr. Riety has bought 20 acres off from the south side of Mr. Blanchard's 60 acres, next to Henry Huck's farm. Roth and Orril Huck were visitors at the Macfield home one night last week. Wm. Breitmeyer's new barn will soon be completed. Rev. A. R. McLean of the Newman M. E. church will have charge of the preaching service out here on November 22. S. A. Riety and Paul Blanchard attended Prof. McMurray's vocal recital at the opera house in Grants Pass last Tuesday evening. Fruitdale Grange will hold its next meeting on Saturday, November 14 at 2 p. m. A very interesting program has been prepared. Patrons from other Granges are especially invited to attend. Don't forget to attend the Grange meeting Saturday, November 14 at 2 p. m. The roll call will be responded to by a Current Event, after which the hour will be devoted to "Chickens." If you are interested in poultry, don't fail to attend this meeting. Patrons from other Granges and friends and neighbors are cordially invited to be present. Strawberries in November. Strangers in this section wonder when the strawberry season ends, but no one seems to be able to tell them exactly, as it seems to depend more on the man and the plants than on the season. J. C. Calhoun has been picking berries from very early in the spring and is still at it and nearly every day brings strawberries to the market. He has shipped some recently to Portland but prefers to sell them at home as he makes a little more on each box. ries he shipped to Portland brought 12 1/2 cents, while locally he has no difficulty in getting 15. What Mr. Calhoun has done others can do, and in fact others are doing, though his place has been called to our attention oftener than others. With the climate we have here, there is no reason why our markets should not be well filled with strawberries and like fruits almost the entire year. Place blanks at the Courier office.
