**W. C. T. U.**  
 The next meeting of the W. C. T. U. will be March 19, in W. O. W. hall on Sixth street. The program is in the hands of Mrs. Hiller and an interesting and profitable session is promised. Let all who wear the white ribbon come and help to push the work for which we labor. The meeting will be opened at 2:30 sharp so that the business may be out of the way for the L. T. L., which meets promptly at 4 o'clock. The medal contest work is to be taken up and those wishing to enter, either for senior or junior contest, will please give their names to some of the W. C. T. U. women that our medal contest superintendent may have a list of names from which to make up her classes.

At our last meeting we had with us Mrs. Helen D. Harford, state superintendent of Christian Citizenship, lecturer and organizer, who addressed the ladies on the work of the W. C. T. U. She spoke encouragingly of the progress of prohibition and the temperance work in general. At the close refreshments were served. At 8 o'clock she spoke in the Baptist church to an appreciative audience. The theme was "Law Enforcement." Mr. McLean, of the Presbyterian church, and Mr. Lovett, of the Baptist church, both spoke for a few minutes at this meeting, and all heartily agreed that the enforcement of law is the question now before this city, needing the attention and hearty support of all loyal citizens.  
 Sunday Afternoon, Mrs. Harford spoke at Fruitdale and Sunday evening occupied the pulpit of the New-man M. E. church.  
 Monday afternoon, at 4 o'clock, an L. T. L. rally was held in the parlors of Bethany Presbyterian church and Mrs. Harford delightfully entertained the little ones in her usual bright way. Five names were secured for the legion.  
 At 8 o'clock Monday evening, a meeting of the Y's was held in the same place at which time Mrs. Harford told of the splendid work the Y's were doing and advised a Japanese tea in the near future for the Grants Pass Y's. This coming together resulted in six new members for the W. C. T. U.  
 Every meeting was an inspiration for better service on the part of those fortunate enough to hear her.  
 Notes of victory come to us from all over our country and we rejoice accordingly. The citizens of Berkeley, Cal., have voted no saloons for that university town.  
 "Men deliberately capitalize vice to make money."  
 "Saloons are monuments of temptation."  
 "Of all the cowards God Almighty ever made it is the politician."

**Writes Letter Which May be of Great Interest to Skin Sufferers of This City**  
 Lakeview, Ore., Aug. 7, 1907. D. D. D. has done wonders for my daughter of 14, a severe case of Ec-zema and a cure in less than two months. As a skin remedy D. D. D. has no equal. I hope that every human being who has eczema will hear of your magical remedy.

What D. D. D. did in this case it ought to do for you. This wonderful remedy is now recognized by the foremost physicians and scientists as the quickest and surest cure for eczema and skin disease of any nature. This remedy is as safe and pleasant to use as pure water, and is applied directly to the afflicted parts, leaving no bad odor or sticky, salty substance. The first application gives **INSTANT RELIEF**, and as far as we have been able to investigate quickly effects the most astonishing and permanent cures wherever rightly used. M. Clemens, Druggist.

Kodol digests all the food you eat. If you will take Kodol for a little while you will no longer have indigestion. It is pleasant to take, acts promptly. Sold by Sabin's drug store.

**The Story of a Medicine.**  
 Its name—"Golden Medical Discovery" was suggested by one of its most important and valuable ingredients—Golden Seal root.  
 Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made, as it ever since has been, without a particle of alcohol in its make-up.  
 A glance at the full list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the strongest endorsement from the leading medical experts, chemists and writers on Hygiene. Medical writers recommend them as the very best remedies for the diseases for which "Golden Medical Discovery" is advised.  
 A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hang-over-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It will cure the affections that lead up to consumption, if taken in time.
