HIGH-O-ME.

That's the Way to Pronounce Hy-
omei, the Money-Back Cat-
arrh Cure.

As doubt exists in the minds of many readers of the Courier let us say that the above is the proper pronunciation of America's most wonderful catarrh cure.

Demaray is the agent for Hyomei in Grants Pass and he will sell you an inhaler, a bottle of Hyomei and full instructions for use, for only \$1.

And if it fails to cure acute or chronic catarrh, asthma, bronchitis, croup, hay fever or coughs and colds, he will give you your money back. The person who suffers from catarrh after such an offer as that, must like to snuff, spit and wheeze, and be generally disgusting.

Read what M. G. F. Lowe says: "I have used Hyomei for a case of nasal catarrh which had bothered me for a long time. I can say that Hyomei killed the germs of the disease and gave me the much-sought and needed relief. From this experience I know Hyomei to be a reliable remedy, and I give it the praise and recommendation that it deserves."—G. F. Lowe, R. F. D. No. 7, Allegan, Mich., September 19, 1908.

PORTLAND DECORATES FOR ROSE FESTIVAL

Portland, Oregon, May 24, 1909. (Special Correspondence) — Portland people are delighted over the Interstate Commerce Commission's decision this week opening the Portland gateway. This is a ruling Portland has long contended for and the victory is regarded as an important one. Its chief significance will mean a free interchange of passenger traffic at Portland between the Hill and Harriman lines. This is bound to increase the travel of Eastern visitors to the coast through this city for at present travelers coming through Portland bound either to or from the Sound, must re-check their baggage and buy new tickets here. This is inconvenient and has often deterred passengers from coming to this city. The decision means that through tickets must be sold via Portland, a thing the Hill lines have hitherto maintained should not be required of them as it gave the long haul to the Harriman roads. The Hill roads are expected to appeal the case to the Supreme Court.

Portland merchants met at the Commercial Club this week and took steps to decorate the city thoroughly in honor of the many visitors who will attend the Rose Festival early in June. The retailers plan to make their stores highly attractive for out of town guests and tourists who will be here for Festival week. Places of business will be transformed into perfect bowers of beauty for the delight of visitors. The work of emblazoning floral designs on shops windows about town is now going on. Flags and festival colors will be put up next week. Rose decorations of the business houses will be delayed until the festival opens on June 7, when the queen flower will reign supreme about the city.

Showing much interest in Oregon timber, a party of 18 Michigan capitalists spent a day in Portland during the week. They represent capital of over \$50,000,000, and their visit here shows an interest in Oregon timber that will mean the investment of large sums here in future. They said some of their number intended to secure some of the remaining big trees of this state shortly. Two of the party will return to Portland within a few days to receive reports on Oregon properties they are now looking up. The visitors are mostly officials of the Michigan-Pacific Lumber Company.

New and improved train service throughout on the Southern Pacific lines in this state will be inaugurated on June 1. At that time the Shasta Limited, the new fast train to California, will be put in commission, improving the Willamette Valley service to a great extent.

Civil War veterans are completing arrangements for the annual state encampment which will be held at Corvallis, June 2, 3 and 4.
