Modern Boom Items.

Our friend, J. H. Hibbard, of Helena, Mont., who is a considerable property owner in this county, has been spending some time in this city and is taking quite an interest in the growth and prosperity of the county seat, handed in the following which is to the point in many respects:

"Grants Pass this year will have an unusual building boom. Many business houses as well as a large number of residences, will be erected. Grants Pass is located in the center of a big and productive country which so far is only partly developed, but the land is being put rapidly under irrigation and cultivation and this means that the town will grow by leaps and bounds. Its growth has only just commenced, keep your eye on the hub of the great Rogue River valley—it will make you dizzy."

Mr. Hibbard also hands us the following:

"Don't be a dead one, get on the band wagon; join the Grants Pass Commercial Club. Be alive in boosting for your city and the Rogue River valley. Be a factor in your surroundings. Help advertise our natural resources. Get outsiders in-

"Ever see a drunken man try to fill a bottle with the bottom out? It's a great waste of time and looks awful silly. But it's no more silly and no more wasteful than for a sober man to expect his town to fill up with people and bobble over with business when he is continually pouring his dollars into the wide world outside, through the mail order hole in the bottom of his town.
