

The North Pole

mystery is at last solved. The lives of many have been lost in this hazardous undertaking. Midst the frost and ice of that Arctic region many hardy explorers have met death and on every side their sufferings have been intense. It is said that the face and hands of Dr. Cook and the white members of his party were so cracked and roughened from the fierce winds and ice cold water as to drive them almost insane. It is deeply to be regretted that they possibly, even in this enlightened age, knew nothing of "PERSIAN SECRET."

Sabin, the Druggist

Fall Opening October 1, 1909.

A cordial invitation is extended to the trade to inspect the finest display of Patterns and Fall Novelties ever shown in the city. At Mrs. M. P. Anderson's, 708 E. St. 9-24-11

Last Sunday afternoon a runaway occurred which was exciting in the extreme and might have proved fatal to those in the carriage. Four Grants Pass young people, Messrs Carl Gnette and Clifford Dean and Misses Patti Gray and Nora Morrison were on a picnic excursion when one of the singletrees broke and let the tongue drop, the tugs came loose and the horses ran for about 100 feet, pulling the surrey by the bits. The young people borrowed the necessary tongue and singletrees from a farmer and in coming home in the evening the horses ran out of the road, over a stump, and another smash up was the result. The boys managed to fix things up in shape so that they were able to return home, but with their carriage in rather a dilapidated condition. No one was hurt.

A. N. Parsons returned to this city Wednesday accompanied by his wife, son and two daughters, whom he brought from Omaha, Neb. Mr. Parsons has been in the real estate business in this city for the past two months but his family remained in Omaha until he became settled. He is so well pleased with Grants Pass that they will make this place their future home.

Geo. M. Welster, official photographer for the Southern Pacific and other roads connected, arrived in the city Thursday morning and was at once taken in charge by Secretary Andrews, of the Commercial Club, and the two went to various points in the county to photograph places of interest. From these photographs colored lantern slides will be made for use in a series of illustrated lectures on Oregon which will be delivered throughout the east by noted lecturers.

Sheriff Joe Russell returned last Friday from a hunting trip extending over a period of 21 days which was spent in the eastern part of Curry county and the western part of Josephine. He was accompanied on his trip by T. O. Naucke and Wm. Treffern and "Gassie" Bow, the old Chinese packer and guide, who did the cooking for the gentlemen. The hunters visited Game Lake, Bald Hills, Windy Valley, Snow Camp, etc., and found game in plenty. Six pack mules were taken into the mountains and the hunters enjoyed one of the finest hunting trips imaginable. Sheriff Russell had been in ill health for several weeks prior to taking this trip, but now he says he feels better than he has for months. Nothing like a good old hunting trip in Southern Oregon to brace one up and make them feel that Oregon is the best place on earth.

The First Play of the Season.

The musical comedy under the title of "The Girl Question" which will be played in the opera house next Thursday, comes at a time when its great merit will be appreciated, this being, for us, the first play of the season. The popularity of this production has been such as to make it safe to say it merits from the people of Grants Pass a full house. It ran in Chicago over 300 nights and when it reached Seattle and Portland it ran a full week in each city to the delight of the people. The newspapers gave it hearty endorsement. It is indeed fortunate that we have the opportunity to enjoy, at this time, a play of real merit, which, if it has a flaw, has not as yet been discovered by the theater-going world. Those who go next Thursday night will enjoy a real treat.

6 YEAR OLD BOY KILLED In

(Continued from Page 1.) over the child's left thigh, ribs and side of his head, crushing the little body into a shapeless mass. Miss Lucille McCroskey was in front of the Moss residence and saw the boy standing on the brake and she could hardly tell just what happened but supposed he missed his footing and went down under the wheel. Other ladies also saw the accident and Mrs. W. H. Pattillo, who lives opposite the Moss residence, ran over and told Mrs. Heberlie what had happened. Mrs. Moore, who was also near, ran out and taking off her apron, covered the little body with it. Some one telephoned the coroner, Dr. Fredk. Stricker, that a child had been hurt and it being a hurry-up call he ran down to the place, but Mrs. Heberlie had arrived first and had the form in her arms and was carrying it away when the doctor reached the spot. Investigation showed that it was purely accidental and the coroner decided that an inquest was unnecessary.

Mr. Heberlie was on the south-bound train, No. 19, with his cousin, John Griffford, returning from the Seattle exposition, and when he reached Merlin he met Dick Bland, who told him that his boy had been injured by a dray but did not tell him that he had been instantly killed, and it was not until his arrival here at 10:45, five hours after the accident that the horrible truth was made known to the father.

This is one of the saddest accidents that has occurred in our city for many years and the shock to the community was depressing in the extreme. Little Louie Heberlie was 6 years 6 months and 1 day old at the time of his death. He was not only the idol of his father and mother, but was a favorite with all who knew him. The drayman who told the story to the Courier said that he was the sweetest child that he had ever seen and his grief was evident as he related the circumstances of the accident. The men on the dray did all in their power to avert an accident and the people who were near testified that they were in no way to blame.

The people of Grants Pass extend their sympathy to the stricken father and mother.

The funeral will take place from the family residence at 10:30 on Saturday morning, and will be conducted by Rev. Robt. McLean, of the Presbyterian church. The interment will be in the Odd Fellows cemetery.
