CITY POLITICS GETTING WARM.

come in.

There is considerable activity in municipal politics just now and not The two names we hear mentioned 24 hours and was a shock to the to the guests. the oftenest are Jim Tuffs and J. G. many friends of the family. The Riggs, the former has been out of bright little fellow was a general town continuously for three weeks or favorite among his playmates and entertained the members of the Lamore, and the latter refuses to talk he will be sadly missed not only in dies' Guild at one of their pleasant on the subject.

ing and his friends think he would sympathy to the father and mother, were about three dozen ladies presmake an ideal mayor, in which opin- and in this it will be joined by many ent and the , time was pleasantly ion they think they are correct.

The base ball people are taking a be found in another column. great deal of interest in the municipal game but so far they have put forward no candidate. They propose best. You will find a well assorted to vote against any member of the stock at Cramer Bros. present council who supported the base ball ordinance, and this being the case neither Tuffs nor Riggs WILSON-At New Hope, Oregon, largely attended by members and could get their support. It is thought that a little later the base ball boys will put a candidate in the field in the person of E. T. McKinstry who POOL-At Ignera, Cal., Tuesday, sold at the fair, which the Methodist is an admirer of the game.

Dr. J. C. Smith, who has been mayor of Grants Pass, is mentioned in some quarters as desirable timber for the mayoralty.

So far we hear of no candidate for the council in any of the wards, but more than likely they will be in evi- HAMILTON-At Grants Pass, Ore- noon at the residence of Dr. Loughdence within a week or so, as city politics will soon be at a white heat.

# Clothes of Quality Await You Here

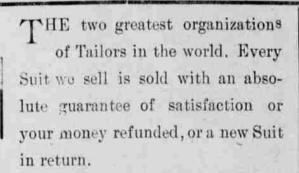

The straightest and surest road to good clothes--the best clothes --brings you here.

If you frequent any of the "by paths" you'll be apt to lose vourself in the tangle of misleading "bargains."

> Whatever we do is well done-what. ever we buy is well chosen-quality is the object-and perfect clothes satisfaction the effect.

> There are many other places to buy clothes, to be sure-but you'll find that the best is always here.

These clothes are made for us by Alfred Benjamin of New York, and **David Adler** of Milwaukee

PEERLESS CLOTHING CO. Remember Quality is the True Test of Cheapness By Our Good Clothes You Shall Know Us

ary work in road making never pays. home at Napa, Idaho. This has been forcibly illustrated on JEWELL-At Grants Pass, Oregon, Sixth street in Grants Pass. For twenty years or more this street has been filled in and every sort of a makeshift has been resorted to, all of which has cost first and last enough to have paved it with the best o'clock Saturday morning from the material. As it is, the money was family residence. The interment guests with autumn leaves and Jackspent and we have had nothing to will be in the Odd Fellows cemetery. o'lanterns and altogether the evenshow for it.

Country roads should be built with a view of securing the best results, best wood airtight stoves on the In this day of practical things all market, in three sizes at Cramer entertainments of the Woman's Reculverts should be of concrete and Bros. strong enough to last. Every section of road should have drainage so that it will stand the rainy season without injury.

Good roads have much to do with the transportation of farm produce to market and consequently to the same extent it enhances the value of land. The farmer who has a good road to market certainly has a great advantage over the one who has not. mer Bros. This is why the value of land in a section of good roads is always greater than in a locality where bad roads are the rule.

It Was for Fun.
