FRANCIS HENEY NOW IN OREGON

Francis J. Heney has announced that he will resign his position at San Francisco as assistant district attorney at once, and that he will leave for Portland, Ore., to resume his position as prosecutor in the government land frauds, but Mr. Heney asserts that he is not prepared to state which of these will go on trial first. Mr. Heney left Thursday night for Portland to take up and complete his interrupted work in the Oregon land frauds. Just when the cases will come to trial Mr. Heney does not know. His first step will be to set the date for the trial of Binger Hermann, and this date will be contingent upon the engagements of Hermann's attorney, Mr. Worthington, of Washington, D. C. Mr. Heney expects to return to San Francisco in a week or ten days to conclude his duties in connection with the district attorney's office, and will then return to Oregon. When Heney undertook the San Francisco graft prosecution, the Oregon work would have taken probably two months to complete.

Mr. Heney is to have full charge of the land fraud cases, and will probably follow the same policy he outlined when he was an appointee of the Roosevelt administration.

What Christmas Present? Which makes the better Christmas present—the 52 issues of The Youth's Companion, costing only \$1.75 for the whole year, or one book, costing \$1.50 to \$2.00? In quantity, variety and value of reading The Companion excels. It is not such a paper, bringing every week into the home circle charming stories, articles on a thousand subjects by famous men and women, delightful short sketches, humorous anecdotes, and an infinite variety of other wholesome, entertaining reading—is not such a paper the very one for an appropriate, acceptable Christmas present? Think of it! In a year The Companion gives you as much reading as twenty 400-page books of travel, history, fiction, miscellany, biography and humor, and not a line in it that shakes one's faith in truth and honor, not a phrase that makes light of the things that are sweet

and pure. Is it not a Christmas gift worth having—a Christmas gift that is "worth while"? Send your subscription (\$1.75) at once so as to receive free all the issues of The Companion for the remaining weeks of 1909, as well as The Companion's "Venetian" Calendar for 1910, lithographed in thirteen colors and gold. Upper Williams Creamery Sold. The Upper Williams creamery, established in 1907 by J. D. Graham & Sons, and placing on the market the "Josephine" brand of butter, was sold last Friday to Frank Sutton, of Ashland, for a number of years conducting a confectionery business on Fourth street in that city. Mr. Sutton has been in the dairy business and is familiar with the creamery operations and will no doubt manufacture a superior brand of butter. He took charge this week. This transfer includes the creamery, capacity 800 pounds of butter per day, 155 acres choice alfalfa land adjoining, 30 head of dairy stock, ranch stock and implements, and the price paid runs up to nearly \$10,000. Mr. Graham and family expect to spend the winter in the Williams district and will later locate near Grants Pass.

BIG SYNDICATE AFTER JOSEPHINE TIMBER

Attempt to Place Script on Mining Property of United Copper Gold Co.

A matter which is far reaching in its effect and of vital importance to miners particularly, who are operating on unpatented lands, either surveyed or unsurveyed, as well as to the homesteader or squatter, was on hearing before the United States Land Office in Roseburg last week. The defendants in the case were gentlemen from Salem, Messrs. F. E. Newberry, president, and O. A. Thomas, vice-president, of United Copper-Gold Mining company, whose properties are near Merlin, Josephine county.

They were accompanied by Mr. Geo. C. Westby, mining expert from McGill, Nevada, who appeared as a witness.

The facts in the contest are that on the claims of the United Copper-Gold company is a lot of fine timber. An Eastern corporation representing extensive lumbering interests in the west, assayed to take possession of the lands and timber in question by the scrip process. The eastern people, however, made an offer of compromise, asking the timber to be given them without protest, and for such consideration they would not interfere in the miners' work. This proposition was refused by the Salem people, therefore the case was filed for contest.

The scrip by which this transfer of title is expected to take place, is Northern Pacific Railway paper. It is obtained in some instances at least, by the railroad corporation relinquishing its right and title to a piece of undesirable land, or to a piece that may have been claimed by some homesteader in the railway's limit in the state of Washington, receiving scrip therefor from the government. This scrip is good way down here in Oregon, 500 miles from the railroad's line, and it is with such paper as this that the eastern corporation is trying to gobble up properties in Josephine county and by so doing oust a mining company who are at work on the premises and spending their money to develop the resources of the state.

If the department submits a decision adverse to the local organization it will establish a precedent that is fraught with grave results to various properties similarly situated, as to title, in Southern Oregon.—Roseburg News.

HEED THE WARNING. Many Grants Pass People Have Done So.

When the kidneys are sick they give unmistakable warnings that should not be ignored. By examining the urine and treating the kidneys upon the first sign of disorder, many days of suffering may be saved. Sick kidneys expel a dark, ill-smelling urine, full of "brick-dust" sediment and painful in passage. Sluggish kidneys engage a dull pain in the small of the back, headache, dizzy spells, tired, languid feelings and frequently rheumatic twinges.

Doan's Kidney Pills are for the kidneys only; they cure sick kidneys, and rid the blood of uric poison. If you suffer from any of the above symptoms you can use no better remedy.

Grants Pass people recommend Doan's Kidney Pills. J. M. Jones, N. Fifth street, Grants Pass, Ore., says: "I have used Doan's Kidney Pills and am glad to state that they have helped me greatly. For some time I suffered from symptoms of kidney trouble, such as an irregularity of the kidney secretions and pains through the small of my back. The many remedies I tried, failed to give the least relief until at last I procured Doan's Kidney Pills at Clemens' drug store. The pains and aches left, the kidney secretions became normal and my health was greatly benefited. I gladly recommend a remedy of such merit as Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
