**How One Doctor Successfully Treats Pneumonia.**  
 "In treating pneumonia," says Dr. W. J. Smith, of Sanders, Ala., "the only remedy I use for the lungs is Chamberlain's Cough Remedy. While, of course, I would treat other symptoms with different medicines, I have used this remedy many times in my medical practice and have yet failed to find a case where it has not controlled the trouble. I have used it myself, as has also my wife for coughs and colds repeatedly, and I most willingly and cheerfully recommend it as superior to any other cough remedy to my knowledge." For sale by M. Clemens.

**GALICE.**

**MURPHY.**  
 Mrs. Dave Jones and sister, Miss Anna McCallister, of Wilderville, spent Thanksgiving with their parents, Mr. and Mrs. John McCallister. Reverend Mr. Pepper, of Wilderville, preached to a fair-sized congregation Sunday, both morning and afternoon.  
 Nearly all the Murphy young people attended the dance at Grants Pass the 24th. All report having a fine time.  
 Pat McFadden and Dan Osborne attended the dance at Ruch Friday night, and the girls smiled so sweetly on them that they announced their intention of going to Jacksonville to a dance Christmas.  
 A school meeting was held Saturday and Ed. T. Perry and D. O. Hayes were elected as directors, to fill the vacancies caused by removal of G. W. Winertout and resignation of Ed. Cockerline.  
 Miss Bessie Leith, the present teacher, was retained as teacher for the next term of school.  
 Mrs. Alex Jess and children left last week for Salem, after a visit of several weeks with her parents, Mr. and Mrs. C. E. Gentner. Mr. Jess recently disposed of his property near Wilderville and purchased a farm near Salem, where they will make their future home. We wish them prosperity in their new home.  
 Will and Eugene Hayes and Miss Winnie Osborne entertained the following guests at dinner Thanksgiving: L. M. Mitchell, Miss Dora Mitchell, Elmer and Alva Gilmore, Miss Goldie Jennings, Mr. and Mrs. D. C. Hayes, Eunice and Lucille Hayes, Mr. and Mrs. Dell Osborn, Wheeler, Dan and Joste Osborn. All were loud in their praises and did ample justice to the excellent dinner served by Miss Osborn.  
 Peter Burleson and family are residents of Murphy again, having moved this week.  
 We understand that Jas. Darnell and F. M. Hayes are going to operate the Oscar Creek placer mine the coming season.  
 Literary Saturday night was fairly well attended. Dan Osborn having resigned as president, C. C. Wynant was elected to fill the vacancy.  
 Next Saturday night will be a debate on the question: "Resolved, That fire is of more use to mankind than water." We don't see much room for debate on that question.  
 BUSTER BROWN.

**FRUITDALE.**  
 The Thanksgiving grange picnic, which was held Saturday, was a great success. Over twenty were present, which was a good attendance for the bad weather. Although the cooks had already cooked one Thanksgiving dinner, the lunch was all that could be desired, as also were the appetites. The program was made up of readings and short stories of Thanksgiving and the climax was reached when the debate was announced. The debate, "Resolved, that there is more pleasure in pursuit than possession," between George A. Hamilton and Robert Harris for the affirmative, and H. C. Bateham and Gall Hamilton for the negative, proved both interesting and witty. The judges, who were Florenz Breitmayer, J. H. Harris and George Stanborough, decided in favor of the affirmative. One person was heard to say "This is the best program yet," and it voiced the sentiments of all.  
 Mr. and Mrs. Robert Huck have moved to town temporarily.  
 Alonzo Jones was in town Tuesday night at the home of his father, who is quite ill.  
 Fruitdale is expecting a rural free delivery service soon. The proposition has been approved by the inspector and a matter of the county's taking over a road, and then busy fruit men will not have to go to town for their mail.  
 Mrs. Walter Constant, Miss Patti Gray and Mr. and Mrs. H. C. Bateham and children attended the Grange picnic Saturday.  
 Andy Dodson and sons have moved on Robert Huck's place to take care of it.

**ECZEMA A GERM DISEASE**  
 Myriads of Microscopic Animals Infect the Skin of the Sufferer.  
 When the skin of an eczema sufferer itches and burns in untold agony, do you know what is going on within the pores of that skin? Myriads of microscopic animals are gnawing at the flesh, breaking down the fine cells and causing festers, thick scales and that terrible itch. The germs multiply faster than Nature can throw them off.  
 Now, there is only one way to get rid of these germs—they must be killed in their lodging places. Dosing the stomach or trying to cure the blood will not, of course, kill the germs, and that is why all the blood remedies fail in eczema; that is also why salves which do not penetrate can do no permanent good.  
 Ordinary oil of wintergreen properly compounded in liquid form will penetrate the pores of the skin and kill the eczema germs. If properly mixed with thymol, glycerine and other ingredients (as in D. D. D. Prescription) this wash will build up the tissue of the skin and promote its healthy growth, giving Nature a chance, while killing the germs faster than they can multiply.  
 Druggist M. Clemens, of this city, recommends D. D. D. Prescription, also D. D. D. Soap.  
 Andes Is Given His Liberty.  
 J. H. Andes, who was arrested at Grants Pass some time ago on a charge of embezzlement, has been released without a trial, and we take pleasure in quoting an item which has appeared in a recent issue of the Sacramento Bee, as Mr. Andes has friends in this section:  
 "After having J. H. Andes, a former employe of the firm, arrested in Grants Pass, Ore., extradited and brought back here for trial, the Northern California Construction Company decided that it did not want to prosecute or did not have sufficient evidence against Andes. This morning Andes was freed upon

**PLEASANT GROVE.**  
 As this vicinity has not been heard from for some time we will scribble a few lines on the dolings in Pleasant Grove precinct.  
 Our school is progressing fine. We were lucky in procuring an extra fine teacher in this district. Miss Addie Robinson is teaching the young idea how to shoot.  
 Otis McCallister has sold his place. Real estate is changing hands quite often in this part of the community.

We have the red lands down here; the very best for orchard and vineyard. When you wish some of that quality of land, give us a call.  
 Grandpa Ferrin is staying with his youngest son, Mr. Monroe Ferrin. The old gentleman has not been feeling as well as usual this winter, although pretty stout for a centenarian.  
 It is being planned to have a spelling contest between Pleasant Grove school and the Wilderville school. We would be pleased to see the old-fashioned spelling schools revived.  
 Bert Ferrin drove in to the Pass today. The condition of the roads will make it anything but a pleasant trip.  
 Born—On November 30, 1909, at Pleasant Grove, to Mr. and Mrs. Fred Kemp, a fine girl baby. It tipped the scales at 10 pounds. Mother and child doing well at last account.
