## NEW HOPE.

Mr. and Mrs. Wm. Hannum are visiting friends at Grants Pass this week

MURPHY.

The dance at J. B. Lindsay's last Friday night was well attended, and much enjoyed by those present.

The box social at New Hope was a very successful affair. The proceeds netted \$38.45 and will be used for our Sunday school, which we exto purchase an organ for the school.

M. C. Ament, of Grants Pass, who has a contract to clear 80 acres of Shaska, of Grants Pass, paid New land comprising the townsite of Ma- Hope a visit Saturday. drona, has a crew of men at work and is in need of several more men. Pass, assisted in the program Satur-Anyone wanting work would do well day evening. to apply to Mr. Ament.

Last Saturday, while Mr. Carson was trying to lead a calf, the animal their spring crops. became playful and started to run. throwing Mr. Carson to the ground force of men cleaning the ditch. and bruising him quite severely, causing his confinement to the house for two or three days, nursing an injured knee.

Miss Bessie Leith closes a very successful term of school Friday of in the Pass on business Saturday. this week. It is planned to have a basket dinner on that day.

According to what some people say Murphy is becoming very cosmopolitan. We have some undesirables, some with the big head, some slanderers, some thieves, some goodygoody people and some that think they can play baseball.

Grandpa Loughridge met with quite a painful accident, last Saturday evening by falling down the stairs at the home of his son, Ernest Loughridge. Dr. Loughridge was called and found that he had a fractured rib and several bad bruises. but no serious consequences are expected.

Harrows, any quality and price to correspond at Rogue River Hdwe. Co.

Va. COMMPT

Made of Hard, Stiff Wire, of Conast Quality A Heavy American Fence Costs You No More Fer Rod Than Lighter Fences of Other Makes A roll of heavy fence means

big wire. Big wire means more strength and longer life. Insist upon the dealer weighing the roll of fence he sells you. This will tell the story quicker than any other way, for you cannot always

tail the size of wire by eye. American Fence will stand this test against any fence made, and will "rove its greater weight. Why, then, pay the same money for a lighter fence?

American' Fence is made of hard, stiff steel. It is made of a quality of wire drawn expressly for woven-wire-fence purposes by the largest manu-

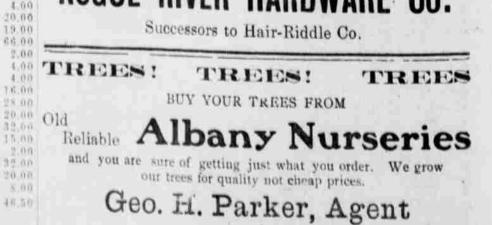

facturers of wire in the world. Galvanized by latest improved processes, the best that the skill and experience of years has taught. Built on the same elastic hinged-joint (patented) principle, which effectually protects the stay or upright wires from breaking under hard usage.

Test, judge and compare American Fence under any and all conditions and you will find that the steel, the structure and the galvanizing are equal in durability, strength and efficiency to the hardest uses.
