

An Important Point

In the making of a child's, lady's or gentleman's face pleasant to look upon is having a good, straight set of teeth. They are often much neglected, therefore a word in regard to the care of the teeth will be in order. Teeth should be well brushed (care being taken to brush the gums also, as this prevents their becoming soft and bleeding from the slightest provocation) from two to three times a day with a good brush and a good preparation. There is nothing better than Parke Davis, Enthymol or Colgate's Ribbon Paste. We carry these in stock as well as the best, pure bristle brushes. If you are depending on clear water to cleanse the mouth and teeth you will do well to give one of these pastes a trial and note the effect.

Mr. and Mrs. Brock have purchased a farm near Woodville and will make that place their future home. Mr. Brock is at present in Idaho, where he is engaged in school work, but as soon as the schools close he will join his wife and son at Woodville. They are delighted with Oregon's climate and their farm home at Woodville.

F. G. Burns this week received the full particulars of the death of his son, Frank, which occurred at Center, Colo., on March 5. Frank had been slightly ill with grip and had almost recovered when he died suddenly with acute dilatation of the heart. His death came as a severe shock to his family and friends, as he was supposed to be in almost perfect health and was a big, robust young man, to whom illness was almost a stranger. He leaves a wife and one little daughter, besides his mother and father and three brothers and three sisters. Many friends here regret to hear of the early death of this young man. He was but little over 24 years of age, being born at Slate Creek, May 14, 1886.
