## THE BIG SHOW CUTS ITS PRICE

When the great Sells-Floto shows come here on Tuesday of next week they do so with the indorsement unqualified in every way of the press and public of San Francisco. If we take the newspaper account of the engagement of this great circus there it is the story of a host of amusement lovers having been turned away at every performance.

Perhaps this is the first time that this has occurred in the history of the big circuses that have visited San Francisco. It is a record that any attraction may well be proud of and needs not to be bolstered up by the bombastic utterances of any press agent.

Perhaps the chief reason for this lies in the fact that this year the Sells-Floto shows come back to us with more attractive paraphernalia than ever before. All the old time circus stunts, together with many new ones which seem to have caught on with those who love to patronize the big tents. Another feature which appeals most forcibly to the public is the announcement that the people of Grants Pass can witness the great show in its entirety for the nominal general admission price of twenty-five cents.

Many people are familiar with the great circus war which is now being waged between the proprietors of the big road shows. The theatrical men have had their battles, but they have never extended so far so that the public benefited other than reading the tirades published in the public press. The Sells-Floto people, however, bring the fight to their antagonists by cutting the price in half.

The Sells-Floto people have always refused to belong to any trust or combination which would tend to consolidate the American circus business. They have always contended that the country was large enough for everybody, including their rivals. They are strictly an independent organization. They have no quarrels with any one but reserve to themselves the right to conduct their own business in their own way.

The great street parade which will be given here on Tuesday morning will be sufficient to convince everybody of the magnitude of this attraction. The usual matinee will be given in the afternoon, the engagement closing with the evening's performance.

## A SMILE

Is a pretty hard thing to accomplish when you're blue, bilious and out of sorts. There is a sure cure for all kinds of stomach and liver complaints—constipation and dyspepsia. Ballard's Herbine is mild, yet absolutely effective in all cases. Price 50 cents per bottle. Sold by National Drug Store.

## EASY TO CURE.

Coughs, Colds, Sore Throat and Catarrh.

Breathe Hyomei. It will cure catarrh or any nose or throat trouble if you follow directions. Don't lay it aside when the snuffling, hawking and spitting have ceased. Stick to it daily until you are sure that the catarrh germ is dead, and that your air passages are free from their poisonous influence. Hyomei (pronounced High-o-me) is the only treatment for nose, throat and lung troubles that has ever been sold with the understanding that if it did not cure, it was to cost absolutely nothing.

Hyomei can be obtained at druggists everywhere and at C. H. Demaray's, who guarantees it to cure catarrh, croup, sore throat, coughs and cold. A complete outfit \$1.00, which is mighty cheap for a remedy that has cured more cases of catarrh than all the catarrh specialists on earth.

An outfit consists of an inhaler, a bottle of Hyomei, a supply of anti-septic gauze, a medicine dropper, and full instructions for use. The inhaler is made pocket size, of hard rubber, and will last a lifetime. And bear in mind that extra bottles of Hyomei, if needed, cost only 50 cents.

## MI-ONA Cures Indigestion

It relieves stomach misery, sour stomach, belching, and cures all stomach disease or money back. Large box of tablets 50 cents. Druggists in all towns.
