A Double Wedding.
The home of Mr. and Mrs. Thos. Leith, of Murphy, was the scene of a very pretty double wedding on Sunday, September 4, at which time their daughter, Bessie, was married to Walter Oglesby, and their son, John W., to Miss Dora Mitchell. The ceremony was performed at 10:30 a. m. by Rev. Thompson in the family parlor, which had been fittingly decorated for the occasion, and later the guests sat down to a sumptuous wedding luncheon. The happy couples left amid showers of rice for a three weeks' trip along the coast. Both brides and both grooms are well known in this section. Mrs. Oglesby was for the past three years one of the progressive teachers, while her husband has been in the lumber business and now holds a lucrative position with the Three Pines Lumber company. Mrs. Leith is a niece of Postmaster Gilmore, of Murphy, with whom she has made her home. Her husband, besides owning a farm, has been connected with the saw mill business for some years.

Republicans four years ago were led to believe that by their vote they were electing to office a flat salary candidate for State Printer. After nearly four years' experience they are now told by Mr. Duniway that he only pledged "an economical business administration," and now hollers for more of the GRAFT. Give William J. Clarke your primary vote.

Candidate for Sheriff.
I hereby announce myself as a candidate for the nomination for the office of sheriff on the democratic ticket, subject to the wish of the voters at the primary election to be held September 24.
CHAS. BURKHALTER.

(Advertisement.)
To the Republican Voters of Josephine County:
I am a candidate for nomination for County Judge.
I have always advocated good roads, and the opening of roads and trails into the isolated portions of the county, and have practiced what I preached. Half of the settled portion of the county is shut off from the county seat a large portion of the year by the "slide" over Grave Creek hill, the bad grades and red mud between Merlin and Galice and the "bottomless boulevards" south of Grants Pass.
If I did not believe I could better conditions I would not be a candidate.
Register and vote; if you can't vote for me vote for the other fellow—but Vote!
M. J. ANDERSON.

FIRST FALL MEETING OF LADIES' AUXILIARY

With a good number present, showing a return of fresh interest in the work of civic improvement, the Ladies' Auxiliary held its first meeting of the fall, after a vacation of two months. The general opinion was that the appearance of the completed park justifies the pushing of the work on the opposite corner as rapidly as possible. Though the unhappy fact was disclosed that the expense of maintaining the park this summer has practically depleted the treasury, the ladies are not disheartened, but are ready to devise ways and means to secure another two or three hundred dollars with which to complete the northwest park if possible this fall. There was no doubt felt but that this should be done before the fair, though with the present condition of the treasury the outlook is not very hopeful, unless money comes from some at present unexpected source.

The woman's department of the fair came in for a share of discussion. Every effort will be made to interest the women of Grants Pass and vicinity to make this one of the most attractive features of the fair. Much enthusiasm was evident.

The fair as an opportunity for adding to our park fund was also thoroughly discussed, with the resulting decision to serve a good dinner at noon each day during the fair. This dinner will be a 35 cent dinner, and first class in every way. Committees will be appointed immediately that plans may be perfected in good time.

Another important action was taken which should mean much to the future of the club. This was a move to federate with the State Federation of Woman's Clubs. This can be done without at all effecting the nature and purpose of the auxiliary. With a wider scope of interest, the coming in contact with the broad state and national movements represented by this organization of woman's clubs, our own local body can not help but experience a new stimulus for broader activity.

Mr. Coe Returns from East.

R. L. Coe returned on Monday from his eastern trip, which has extended over a month. Mr. and Mrs. Coe and daughter and son, Miss Pauline and Luther, left this city the first part of August for Portland, where they visited with the Dr. Moore family, formerly of this city. After a few days spent in Portland the family went to Seattle, thence by boat to Victoria, B. C. They visited also at Vancouver, after which they went to St. Paul and Chicago, and at Kalamazoo, Mich., visited with Mrs. Coe's sister for a few days. They then journeyed to Wooster, Ohio, where Mrs. Coe and Pauline and Luther are now located. Mrs. Coe and Luther will probably return to Grants Pass in about six or seven months, but Miss Pauline will enter the Wooster college for a five-years' course of study. Mr. Coe reports a splendid trip, which was thoroughly enjoyed by every member of the family.

ONE BIG FOOL

But He Doesn't Live in Grants Pass Nor Read the Courier.

A man in Connecticut gave a doctor, a specialist in catarrh, \$50 to cure him of this common yet most obnoxious disease.

The specialist gave him a bottle of medicine and told him when and how to use it.

The fool took the medicine home, took one dose, put it on a shelf and made no further effort to follow instructions.

Three months later, with the medicine still on the shelf, he told a friend that the specialist was a fake; that he had paid him \$50 and still had catarrh as bad as ever.

This story is told for a purpose. HYOMEI (pronounce it High-o-me) won't cure catarrh if you don't breathe it; it will cure catarrh if you breathe it regularly.

Furthermore, you don't need to give a catarrh specialist \$50 to cure you of catarrh, for the specialist is yet to be born who can write a better prescription than HYOMEI.

C. H. Demaray and druggists everywhere guarantee HYOMEI to cure catarrh or money back. A complete outfit which consists of a bottle of HYOMEI, a hard rubber inhaler and simple instructions for use costs only \$1.00. Separate bottles of HYOMEI if afterwards needed cost but 50 cents. If you already own a HYOMEI inhaler you can get a bottle of HYOMEI at C. H. Demaray's for 50 cents. No stomach dosing—just breathe it.
