Local Irrigating Device

Numerous whispered rumors and much speculation was caused the latter part of last week to to just what was the business of the renters of room number 211 Conklin building, this city. It was generally conceded that the parties occupying the said apartments were interested in irrigation—some stories intimating that they were the representatives on the quiet of the Golden Drift Mining company, etc. etc. A representative of The Courier had an interview with the gentlemen Saturday and learned that they were Messrs. Norman R. Smith and F. Becker, members of the Hydro Patent Power company, of Portland, a company owning certain patents on an irrigation device, a model of which was on display in their office. The gentlemen, who were very pleasant to meet, had no statement to give out as to their device or their plans. They said they were not here to advertise their patents, but were planning to install a plant on some 40-acre tract as a matter of demonstration. That when they found a party who wished a plant installed they would put one in and give him all the water he wanted on his land this summer. Mr. Smith said he was not here to in any way antagonize the district irrigation proposition or any other project that might be under way.

ANY WOMAN CAN HAVE BEAUTIFUL HAIR

Many women do not realize the attractions they possess because they do not give proper attention to the hair. The women of Paris are famed for their beauty, not because their facial features are superior to those of other women, but because they know how to keep young by supplying vigor, luster and strength to the hair. Three years ago Parisian Sage could hardly be obtained in America. But now this delightful hair tonic and dressing can be had in every town in America. C. H. Demaray sells it for 50 cents a large bottle, and he guarantees it to grow beautiful, luxuriant hair, to turn dull, lifeless hair into lustrous hair; to stop falling hair; to stop itching of the scalp. Ask for Parisian Sage.

Medford Socialists Say

MEDFORD, Mar. 13.—President W. H. Taft, Washington, D. It is an insult to the common people of our country who once fought for glorious liberty. If this be treason, brand..."

ALL MY PIMPLES GONE

Girl Tells How a Blotchy Skin Was Cleansed by a Simple Wash. "I was ashamed of my face," writes Miss Minnie Pickard, of Almahaw, N. C. "It was all full of pimples and scars, but after using D. D. D. Prescription I can say that now there is no sign of that Eczema, and that was three years ago."

D. D. D. has become so famous as a cure and instant relief in Eczema and all other serious skin diseases, that its value is sometimes overlooked in clearing up rash, pimples, blackheads, and all other minor forms of skin impurities. The fact is, that while D. D. D. is so penetrating that it strikes to the very root of Eczema or any other serious trouble, the soothing Oil of Wintergreen, Thymol and other ingredients are so carefully compounded there is no wash for the skin made that can compare with this great household remedy for every kind of skin trouble.
